## *Ms. Aumann's Notes.....*

**Week 28.... Testing Week --DONE!** We spent a great deal of our time this week testing. The Iowa Testing is a standardized testing assessment. I try to impress upon my students the importance of these tests and to try their best. I review them along with Ms. Zueck. A overview report is given to the school board-an overall 'class' report NO individual reports. The diocese is also given a report. I tell my students that a lot of 'eyes' look at the results. When we were not testing, we were talking about CONFIRMATION! What a wonderful moment in the students' spiritual lives! Congratulations to them!

### **Curriculum**

**Religion:** We worked on Confirmation and did a review. We read and discussed the Sunday Gospel.

**Vocabulary:** Testing week took our vocabulary time.

**English-**Testing week took our English time. We will work on research papers next week.

**Science-**We worked on chapter 7, section 2-animal interactions. We worked on the main areas of behavior-social, territorial, communication and cyclic. Students worked in groups to explain the key concepts of each group.

**Reading-**We started chapter eight in *Roll of Thunder, Hear my Cry*.

As you can tell from the curriculum report, testing takes a lot of our time. I look forward to jumping back into all subjects next week!

Thank you for your support of SHS. God bless you.
