

Consistent with the measures being taken across the Diocese to help contain any spread of Coronavirus, we are trying to limit public events to no more than 250 people and taking several precautionary measures in liturgical celebrations to limit the spread of any viruses.

Oconee confirmation will proceed as planned, but attendance is limited to Confirmandi plus 3.

Pana will only confirm 3, 8, 9th graders, and attendance is also limited to 3 people.

Any parents who are not comfortable are given the option to participate in one of the future confirmations scheduled already at the Cathedral or another parish.

Confirmation for Pana 4th – 7th grade is postponed, likely to next year's celebration.

All other Parishioners are asked to NOT attend the Confirmation mass instead attending the early morning or evening masses that are being offered.

These measures will allow us to proceed with confirmation while keeping attendance well under the 250-participant voluntary guideline set forth by the Governor of Illinois.
