

# Seventh Grade Newsletter

Volume 10 Issue 4 ~ September 11, 2020

I praise you, so wonderfully you made me; wonderful are your works. Psalm 139:14

## Ms. Aumann's Notes...

**Week 4-THANKFUL for another week at SHS!** We started our extra classes-ART and PE-this week. The art room has had a major renovation! It is beautiful!! It is a warm and inviting place for the students to learn art. We are rolling along nicely with our subjects. One of the best parts of the day is right after lunch-we watching a short news program and then spend 15-20 minutes independently reading. The students CHOOSE whatever book they want to read! They are learning to select books they want to read, enjoy a great story, and build their reading stamina.

### Curriculum Report

**Religion-**We started chapter 22- The Eucharistic Sacrifice. We worked on vocabulary. The seventh graders are responsible for morning prayer now. The students worked on finding their chosen prayer and saint for the morning announcement.

**Vocabulary-** We started unit 2 in our vocabulary book. We are up to 114 pom-poms for the Vocab Jar!

**English-**We worked on a short story about our pets and discussed homonyms.

**Reading-**We are reading *Hidden Talents*. We are learning about the main character, Martin, and his first-day experience at the alternative school. We worked on a journal prompt.

**Science-**We discussed the two kinds of science ways: descriptive research and experimental design research. We also learned about bias and pseudoscience.

We had a short 9-11 ceremony to remember those lost 19 years ago. Ask your child about it. Thank you for all you do for SHS. It is appreciated. God bless your family, our school, and the USA. Stay well.
