I praise you, so wonderfully you made me; wonderful are your works. Psalm 139:14

## Ms. Aumann's Notes...

**Week 5-What a week!** It started off with me out of the classroom for a couple of days. It was the best feeling to return on Wednesday. I think of my classroom like a family, and when I returned the students greeted me so sincerely. We were all so glad to be back together again. I love teaching 7th grade!

### Curriculum Report

**Religion**-We worked on chapter 22- The Eucharistic Sacrifice. We discussed the cycle of Mass readings, practices to do before Mass, how the sacrifice of the cross and Mass are the same, and parts of the Mass.

**Vocabulary**- We finished unit 2 in our vocabulary book. We are working on a restaurant review. We brainstormed what points need to be included in a review and read a real restaurant review from the *Chicago Tribune*. We are up to 217 pom-poms for the Vocab Jar!

**English**-We worked on analogies and our daily oral language.

**Reading**-We are reading *Hidden Talents*. We are meeting more characters in the story.

**Science**-We discussed the steps in the scientific method, made a poster about the scientific method using Google drawing, and performed a quick experiment using taco sauce and tarnished pennies. We also learned about independent and dependent factors.

We had blessing of the backpacks on Wednesday after Mass. Father Rodney started with a prayer and then walked around the entire circle of students blessing all the students' backpacks.

Have a great weekend. Thanks for all your support! Stay well.
