I praise you, so wonderfully you made me; wonderful are your works. Psalm 139:14

Ms. Aumann's Notes...

Week 6-A FULL and BUSY WEEK! We are really moving through the curriculum. With the 2:05 dismissal, our days seem to fly by as we move from subject to subject. Last week, the students took the Fall MAP tests. These tests are an excellent way to see how the students are performing in two key areas: math and reading. The test gives a range of where students should be at the different times of the year. These tests are really a way for them to set goals for themselves. I will be sharing your child's results soon. Looking ahead to next week-it will be another busy week with tests-Mass Parts Test, Unit 3 Vocabulary/Spelling, and a science test. I will send out a remind notice as they happen in case plans change (as they sometimes do).

Curriculum Report

Religion-We finished chapter 22- The Eucharistic Sacrifice. Our chapter test was Thursday. We read the Sunday Gospel as a way to prepare for Sunday Mass. The students will have a Mass Parts test next Friday. We reviewed today with Kahoot.

Vocabulary- We started unit 3. We discussed the new words. We are up to 332 pom-poms for the Vocab Jar!

English-We worked on analogies and word parts. We started our first poem for our poetry anthology book.

Reading-We are reading *Hidden Talents*. Our main character is meeting all his new teachers.

Science-We continue to study about independent and dependent factors. We added more notes to our Interactive Notebook.

Have a safe, relaxing weekend. God bless SHS forever! Take care.

Parent-Teacher Conferences

This year's parent-teacher conferences will be handled differently due to safety precautions during this time of the Covid virus. Only those parents specifically requested by the teacher will have face-to-face conferences during the week of October 5-9. All other 'conferences' will be in written form. After you receive your child's report-please contact me if you have any questions or concerns or comments. I will miss our visit, but I know how wonderful it is that I see you child everyday at school. That is our goal to continue to have in-person learning. Thank you.
