I praise you, so wonderfully you made me; wonderful are your works. Psalm 139:14

Ms. Aumann's Notes...

Week 3-I am thrilled that we have been able to have in-person classes for THREE weeks! Students are settling into the 'new' routine well. We had a busy week (I think I say that every week!), and I know the homework load was a little more this week. I reminded my students that for the classes I teach I rarely give homework over the weekend, especially long weekends, so that means we work diligently throughout the week to get to the weekend-homework free.

Curriculum Notes

Religion-We finished our first chapter-chapter 21 on the Eucharist. We had a study guide to help with our first test. Next week, we will look deeper into the Eucharist.

Vocabulary- We finished unit 1 in our vocabulary book. We had our first spelling and vocabulary tests. We also had a writing response to the question "What makes a person successful?" We started the Vocab Jar! We have 32 pom-poms toward a pizza lunch! Keep listening for your child to say, "VOCAB WORD!"

English-We discussed capitalization and punctuation rules, and we started on a short story about our pets.

Reading-We finished our story map for *Love that Dog*. We started our new novel, *Hidden Talents*. We did an anticipation guide and read a few pages to learn about the setting and main character.

Science-We discussed how science is all around us, set up our interactive notebook, and brainstormed ideas about the scientific method.

Have a safe and relaxing three-day weekend! Please continue to pray for SHS and an end to this virus. Take care. God bless my students and their families.

GRADES

I will begin posting grades this weekend. I have a few grades now in all the subjects. I do not post until I have at least 2-3 grades in each subject. This gives everyone a better idea of how the year is starting. When I do post grades, I let students know, and I send out a remind notice to parents. Thanks!
