For just as a body without a spirit is dead, so also faith without works is dead. James 2: 26

Ms. Aumann's Notes...

Week 10 - First week of quarter two- was another busy week. We worked on many small, creative assignments throughout the week. I try to add activities that encourage students to express their thinking creatively like a vocabtoon, Flipgrid Book Talk, tri-fold, and an all-digital poster. I enjoy watching my students create their work.

Curriculum Report

Religion-We finished up chapter 23-The Eucharist in our lives. We discussed how to participate in Adoration. We worked on a poster about a saint that is devoted to the Eucharist. We watched a short video from our diocese about helping the poor and continued our "Pennies for the Poor" drive. As always, we read the Gospel to be prepared for Mass on Sunday.

Vocabulary- We started unit 4. We are up to 1,130 pom-poms for the Vocab Jar!! They are hearing vocab words everywhere! Students worked on a vocabtoon-it is a cartoon with a vocabulary word. Our PIZZA LUNCH for filling the Vocab Jar will be next week.

English-We reviewed prepositions, adverbs, and different kinds of sentences. We also started a poem- "Who I Am."

Reading-We are reading section three in *Hidden Talents*. We worked on a Flipgrid to create a Book Talk. Students shared their favorite book from quarter one. They did a great job!

Science-We started chapter 2-measurement. We finished up our discussion on precise and accurate with an illustration. We discussed SI Units.
