I praise you, so wonderfully you made me; wonderful are your works. Psalm 139:14

Ms. Aumann's Notes...

Week 8- We discussed the call to help the Missions....A LOT! We finished our Mission posters, collected and counted pennies, and prayed for the poor. We will be focusing on the poor all month long. 7th Graders are leading the way in this special month!

Curriculum Report

Religion-We worked in chapter 23- The Eucharist in our Lives. We discussed how the Eucharist is the noblest of all sacraments. We took notes about how all other sacraments are tied to the Eucharist. We read the Sunday Gospel.

Vocabulary- We started our cumulative unit. We finished up a diary entry writing piece. Next week, we will take a review test over the past three units. We are up to 658 pom-poms for the Vocab Jar!! They are really hearing vocab words!

English-We reviewed nouns, verbs, adjectives, and adverbs. As we do every day, we worked on a journal prompt and daily oral language examples.

Reading-We finished section one in *Hidden Talents*. We are meeting more secondary characters in the book. We discussed author's choice of characters in the book and offered our own ideas about the main character's thinking.

Science-We started another chapter. We studied different kinds of lab equipment and glassware used in experiments.

Have a restful, safe four-day weekend! Thank you for your support during this first quarter. I cannot say it enough---I'm so thankful to be at Sacred Heart School teaching *-in-person-* with your child. God bless SHS.
