For just as a body without a spirit is dead, so also faith without works is dead. James 2: 26

## Ms. Aumann's Notes...

**Week 13 - We missed being together.** With some of our friends out due to safety and precaution, our class was smaller this week, and it just didn't feel right. We kept busy with a new novel and our kickoff for the popcorn fundraiser!

### Curriculum Report

**Religion-**We finished chapter 20-the Gifts of the Holy Spirit. We discussed the fruits of the Holy Spirit. We discussed the relationship between gifts and fruits. When we use the gifts, we reap the fruits. We read the Gospel to be prepared for Mass on Sunday. Matthew 25:14-15, 19-21 *"Well done my good and faithful servant."*

**Vocabulary-** I finally got to read the myths the students wrote. They were EXCELLENT! I plan to have the kids share them with each other. Ask your child to tell you about their myth idea. We finished unit 5. We now have 670 pom-poms in the Vocab Jar!

**English-**We finished our notes about the six traits of writing and started a new poem, a diamante.

**Reading-**We finished our one-pager project to learn about theme. We started our new novel, a Newbery winner, *The Westing Game*. It is a mystery with many characters. Each student will study a character throughout the entire book.

**Science-**We worked on conversions using SI units.

Have a safe weekend. I pray daily, many times a day, in fact, for this virus to end. I cannot express how THANKFUL I am for EVERY day in class with my students. God bless. Stay well.

### POPCORN & 8th Grade TRIP

A time-honored tradition at SHS is the 8th grade class trip. The fundraising for this special event begins in 7th grade. There will be two fundraisers this year to raise money for the trip and bus transportation. The first fundraiser is POPCORN. The students sampled all the different flavors today (ask them their favorite flavor!).

The order form went home today.

Orders and money are due **Monday, November 30.**

Thank you.
