Quote/ P/N
Order # _____

Fotofab is known for fast lead-times. Please ensure you have submitted the following information so we can deliver your order on time:

A: Tabs Your part will have tabs which hold your part into sheets during the chemical etching process. Use this form to indicate where tabs can be located on your part! Questions? Visit www.fotofab.com/tabs to learn more about tab options.

- I will e-mail or fax in a marked-up drawing to sales@fotofab.com
- I do not have a preference of tab placement
- Sketch part with 1 to 2 tabs below:

(be sure to select type of tab--see choices at right)

Use this space to indicate tab locations on your part

- Type of tab:
- External
 - Recessed

*Note: Tab geometry may be different due to metal thickness and operations used in manufacturing.

- B: Quality Requirements**
- QC Requirements
 - Special packaging is needed
 - Other (please explain in "comments" box below)

C: If we have any technical issues, who should we contact?
