

Shauna F. King, Ed.S. provides highly engaging, evidence-based keynotes and workshops that help:

- ✓ **Foster Student Engagement** – Staff will use brain research to boost student achievement
- ✓ **Better Behaviors** – Staff embrace simple, yet powerful tools to teach positive behaviors
- ✓ **Create Equitable Learning Environments**
Staff learn to foster success for ALL students

BACKGROUND: Shauna is a former principal, PBIS coordinator and classroom teacher with over 20 years of experience in public and non-public school settings. Her experience and passion have led to invitations to co-present with education expert Eric Jensen (author, *Teaching with Poverty in Mind*) and share with national and international audiences. She is the author of *School Smart: It's More Than Just Reading and Writing* (available on Amazon) and multiple national journal articles.

APPROACH: Shauna has a talent and passion for connecting with educators, leaders and parents. She listens to your concerns and every topic is customized for your event. She has also partnered with over 150 schools to improve school climate, student behavior and student engagement. Her practical approach connects **brain science** to strategies that best support **ALL** children. You are guaranteed to get passionate, relevant, evidence-based presentations that engage from minute one.

WHAT OTHERS ARE SAYING:

"OMG! The Best training I've ever attended. Flawless!! Seriously!!- Naomi M. - Wilmington, DE

"Shauna's knowledge and experience give her that edge to engage all audiences. Her presentations are filled with researched-based information and give practical strategies for immediate use in the classroom. She is a positive, motivating presenter who connects with the audience in a way that inspires all to take the newly learned information back to the classroom and put to use right away!" Sue M. – Annapolis, MD

"Just the right amount of brain science to explain why the strategies work." - Debbie H., Harrisburg, PA

"The work that Ms. King did with our staff on how to build relationships with students was phenomenal!" Rodney W., Brooklyn, MD
