*Moira Peña, BScOT, MOT Reg. (Ont.) is an occupational therapist working at Holland Bloorview Kids Rehabilitation Hospital who has dedicated her career to supporting children and youth who experience sensory processing challenges. She is an Expert Hub Team member of the ECHO Ontario Autism Program. She loves empowering parents and healthcare professionals to implement sensory-based interventions (SBI) to improve children's function and participation in meaningful daily activities. Moira has presented across Canada to parents, teachers and health care professionals and is also a Lecturer (Status Appointment) in the Department of Occupational Science & Occupational Therapy at the University of Toronto.*
