2019 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Hance Ranch Metropolitan District (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order of the District Court in Jefferson County on November 19, 2019, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District's service area is location in Jefferson County. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services.

Pursuant to the Service Plan, the District is permitted to issue bond indebtedness of up to \$6,000,000. In the future, the District may issue a portion or all of the authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the Districts' service area, however, as of the date of this budget, the amount and timing of any debt issuances is not determinable.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1- 105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advances

The District's general and administrative costs in 2019 will be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bonds proceeds (if applicable) and other legally available revenue.

Expenditures

General and Administrative Expenditures

General and administrative expenditures include the estimated cost of services necessary to maintain the District's administrative viability such as legal, accounting, insurance, membership dues, election and other administrative expenditures.

Debt and Leases

The District has no debt, nor any capital and operating leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish emergency reserve. This reserve must be at least 3% of fiscal year spending. Since all funds received by the District are from Developer advances which pay for all of the District's operations and maintenance costs, an emergency reserve is not reflected in the District's budget.
