I acknowledge that massage is not a substitute for a medical examination or treatment, and that it is recommended that I see a physician for those services. I understand that massage should not be performed under certain medical conditions, and I affirm that I have stated all my known medical conditions, and answered all questions honestly. I agree to keep the therapist updated as to any changes in my health and will not hold the therapist liable for any information I've forgotten or left out. I understand that I am responsible to pay for any appointment not canceled at least 24 hours in advance. **I understand that soreness in the muscles after a massage or bodywork can occur due to an insufficient intake of water to flush toxins through my system.** I, the undersigned, state the above information is true and complete to the best of my knowledge.
