

TAU

Capital Group

Tau Capital Group, founded in 2017, is a long-term investment holding company focused on the acquisition of lower middle market businesses at inflection points in their lifecycles.

Tau believes that businesses can be rapidly improved with focused attention and investment into their operations.

Tau's objective as an investor is to deliver a win-win for all stakeholders. Tau delivers certainty to sellers by providing tailored acquisition solutions and flexibility to ensure all objectives are met within an expedited timeframe.
