

DUELING PIANOS
EVENT SERVICES 2020

WELCOME TO
**THE HAPPIEST PLACE
IN SAN DIEGO**

There are a lot of entertainment choices, but only one that has captured the desire to "be" the entertainment. Our dueling piano show provides the unique musical experience that everyone will remember for years to come.

ROCK 'N ROLL / SING-A-LONG / DUELING PIANOS

A dueling piano show involves two piano players/singers at two, face to face grand pianos performing classic rock 'n roll hits from the 1950s to the present. The show is request driven by the audience and with the use of multiple performers, the show goes non-stop all night. It's a celebration of life at the top of your lungs. Great music hits of all time combined with great showmanship, energy and comedy.

WE SELL ONE THING...FUN!
