REFRESHING, GREAT-TASTING WATER

Quality & Service You Can Count On

Convenient drinking water systems that save you time and money, and help your employees lead a healthier lifestyle. *It's the most important, least expensive benefit you can offer.*

BOTTLE-FREE® COOLER

Drinking Water System

Leading a healthy life is a conscious decision — one that you need to work at on a daily basis. To help you feel and perform at your best, various health experts recommend drinking at least eight glasses of water every day. And now staying healthy and hydrated is easier than ever with a variety of Bottle-Free Coolers — offered exclusively through your local Culligan dealer.

Affordable!

Costs less
than **\$2/day**

- On demand hot, cold and room-temperature water
- Simple setup and installation
- Hassle-free maintenance
- EPA Energy STAR Certified
- Only pennies a glass and an endless supply of great-tasting water saves your office money
- Less fuel is required to manufacture bottles, which reduces greenhouse gasses and fewer individual plastic bottles end up in landfills 🌱
- Filtered Culligan water improves the taste of coffee, tea, powdered drinks and soups
- No Calories, No Carbs – A healthy alternative to sugary drinks
- Stay Hydrated - Stay Healthy. Drinking water promotes good cardiovascular health and may prevent headaches. It also helps muscles and joints work better and keeps your skin looking good, too
