

Zoning responsibilities in the township rest with a zoning officer and the zoning hearing board. Anyone with questions on land use, zoning restrictions or would like to obtain a land use permit should contact:

Wayne Township Zoning Officer Terry Crawford at 570-769-6008 (Office) or 570-295-6557 (Cell) email address - zoningoffice@wayne-township.com

“911” – Any resident who has not yet received a “911” sign, please contact the Zoning Office. If a replacement is needed, a new sign may be purchased from the Zoning Office. The Township Zoning Ordinance requires every home to have a “911” sign.

The Zoning Officer administers the rules and regulations of the Wayne Township Zoning Ordinance and issues Land Use Permits.

The Zoning Office hours for 2021 are as follows:

September 1st – March 31st – 1st and 3rd Tuesday of the month – 6:00 to 8:00 pm
