

**Part Number :** 90798 1000 ml

Spec. No. : Sample

**Part Name :** PTFE RB FLASK

Name : Teflon Round Bottom Flask 4 neck

Material : Polytetrafluoroethylene

Body Dia : 140 mm approx

Total Height : 165 mm approx

Centre Neck : B-34/35 mm

Side Necks : B-19/26

Note : For applying pressure, not suitable

Non-Toxic Non-Stick, Acid, alkali and corrosion resistant, Varied specifications.

High quality High and low temperature resistant, Working temperature upto 220 deg.

Appropriate for most chemicals and solvents. Maintain original properties when exposed to air.

Excellent ageing resistance.

Signed.
