

## Pausa is Closed, Temporarily

It is with a heavy heart that we have decided to close the doors at Pausa, temporarily. We all have a responsibility to help contain the spread of COVID-19 and we believe this is the best course of action to ensure that we will be back, better than ever. We would like to express our deepest gratitude for your generous support during this week's "take-out only" model. We were reminded once again just how amazing this community is and we can't wait to get back to business as usual. We intend to go back to the drawing board to see if there is a way to continue to serve the community in the interim. In the meantime, please stay safe during this pause and enjoy the time with your family. We will be back, stronger than ever!
