Mass Attendance

It is a grave sin to miss Mass. When we are at Mass, we renew our Covenant with Him; the new Covenant that he instituted with us at the Last Supper.

This covenant is something that has to be renewed every week. God created a covenant with man and we are called to 'keep holy the Sabbath.' When we make a decision to deny this invitation we are saying we don't want a relationship with him,

I understand Mass is an integral part of the Faith Formation Program and my child **may not be able to continue to the next level is he/she is not attending Mass on a regular basis.**

There are approximately 28 Sundays between now and the beginning of April. This doesn't include Holy Days of Obligation. Your child is required to hand in 10 Mass Attendance Cards by the last day of classes (April 8th). These cards must be filled out and **PUT IN THE COLLECTION BASKET.** Please do not give them to an usher – they will not accept them.
