

On Site for Seniors
September Campaign to
“Tea Up and Fill Our Cup”

Campaign Goal: 1000 donors to give \$25

Our mission is to meet the needs of frail seniors and their caregivers through medical care, compassionate respite support at Bennett House Adult Day Center and whole-person connection with the love of God. On Site for Seniors (OSFS) has served since 2008 as a non-profit, faith-based 501(C)3 corporation.

COVID has escalated the isolation of frail seniors and their caregivers to a critical level!

Our fall Tea/Breakfast fund-raising event has been postponed until spring due to the virus. Yet the funding needs continue. So, we are asking our community to help ‘Tea Up and Fill Our Cup’ toward the mission of meeting the special needs of seniors and their caregivers now!

Make a difference today with your gift of any amount!

Funds will go directly toward needs of isolated homebound seniors and their caregivers.
