

May 2019

Calling all Brevard Achievement Center (BAC) Friends, Family and Community Members:

It's time to CELEBRATE!!!

On Wednesday, October 23rd at 8:30 am, community leaders will join with Team BAC to celebrate the successes of individuals with disabilities who have worked, met goals, grown in skills and explored their individual talents over the past year.

During our celebration, you'll be inspired, motivated and engaged by our award winners and speakers. Those in a position to hire will have a better understanding as to why employing individuals with disabilities adds dependable employees that contribute to the overall diversity, creativity and morale of an organization. We believe that the more educated we are about our unique abilities, the more we can foster respect for one another.

We ask for your support of this event as we seek to raise needed funds for our Supported Living, Transportation and Arts Programs. These programs are critically underfunded by traditional sources. It's up to us as a community to keep these programs strong for each of the people who depend on them!

A list of available sponsorships is attached. If you're interested in sponsoring or have questions, please contact me at smcgrath@bacbrevard.com or 321.632.8610, ext. 204.

Thank you for supporting these employment and empowerment opportunities for people with disabilities. With your support, achieving personal success is within reach for the 1,369 people who access these services!

Sincerely,

Susan McGrath
Vice President, Community Relations
