

How to make a Rabbit, Duck or Chick
or all three! use thin card.

Each requires 2 strips 3" x 12". Fold mmw
Join them together at both ends to form a circle

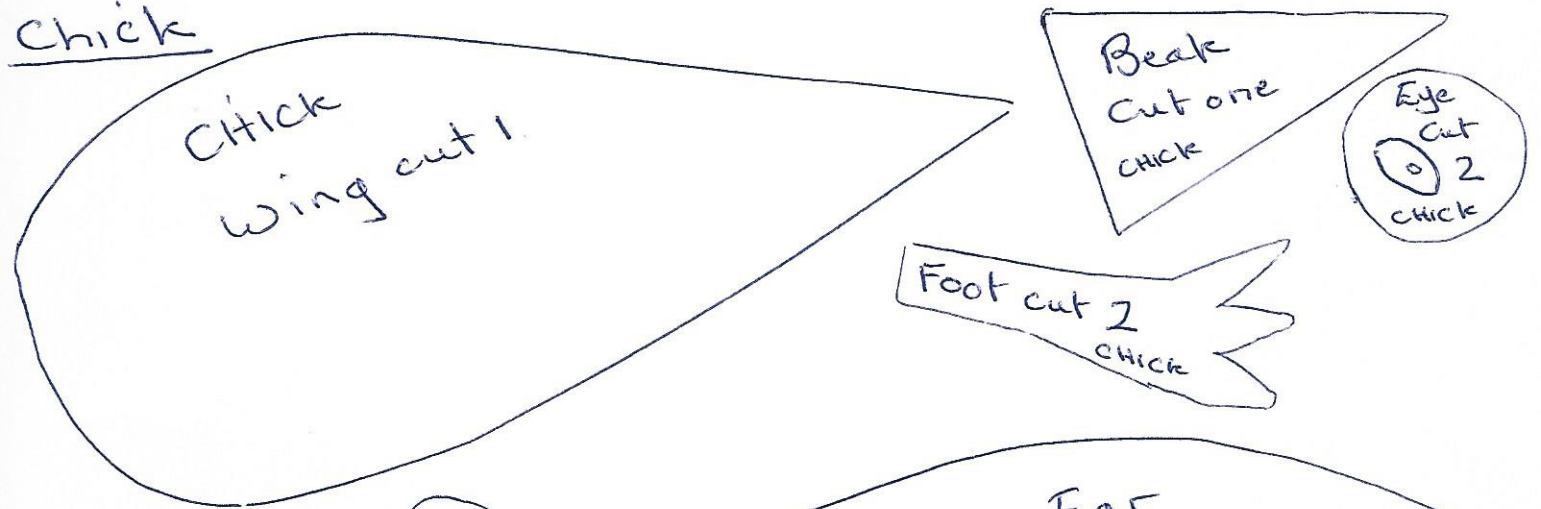

Thus Cut a circle 2 1/2 inch diameter.

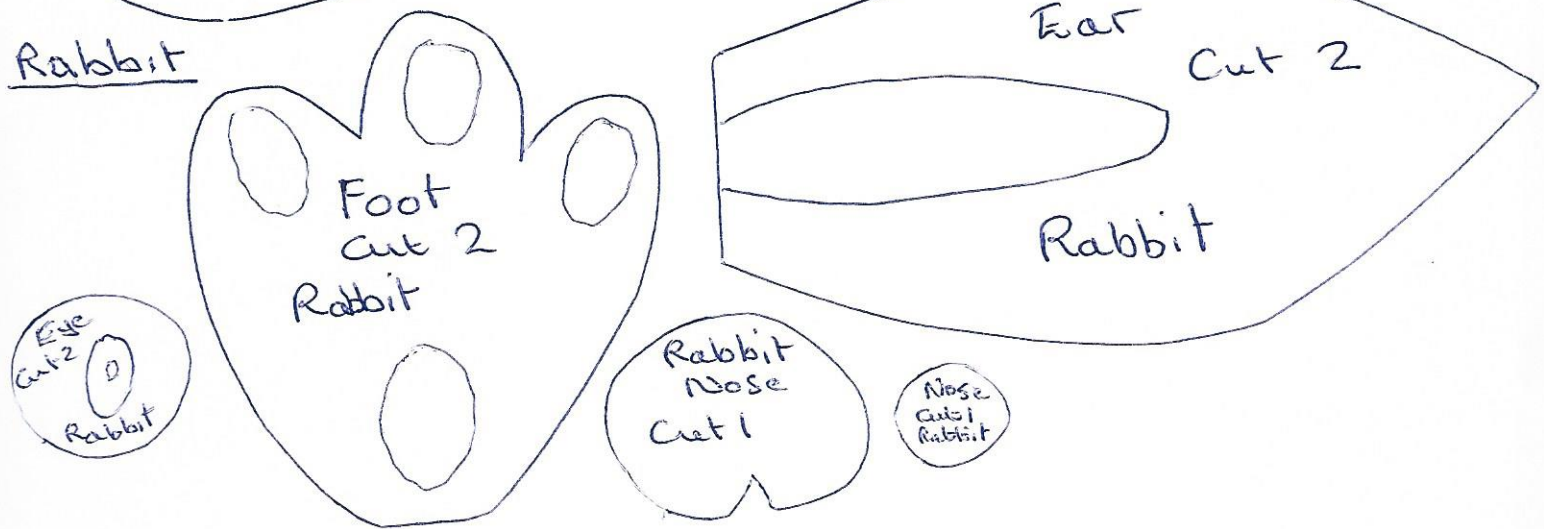

Flatten the circled concertina & stick the 2 1/2" circle
on the back to secure. [I put a weight on my concertina
to help it stick.

Use these shapes to make the creatures.

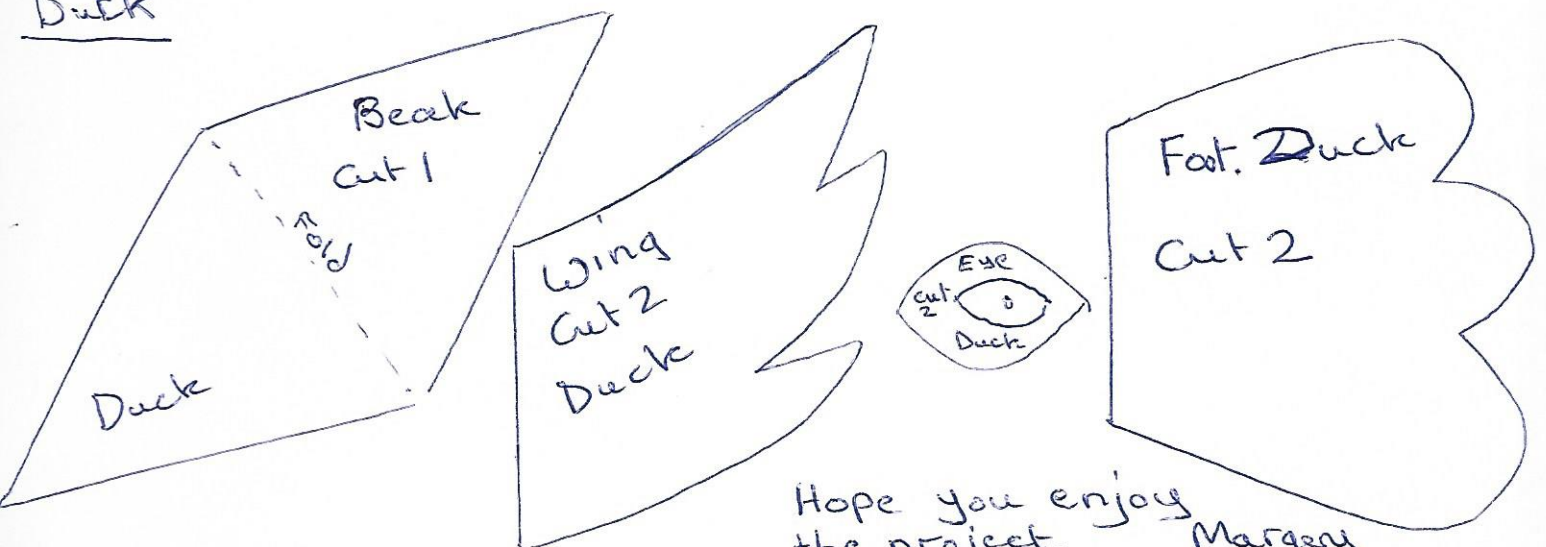

Chick

Rabbit

Duck
