

Here are some simple activities to do over Holy Week to help us all engage with this important time during the Christian Calendar. We can witness to the wonderful gift of Jesus gave to us through His sacrifice on the cross and glorious resurrection.

### For Palm Sunday

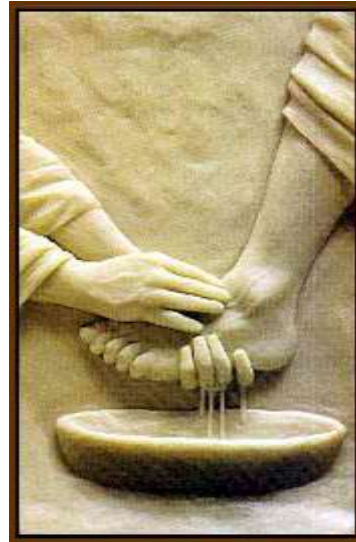

Families/households: make your own cross out of paper or card, and window stick in the window.

### Maundy Thursday evening

Washing each other's feet in the home (between members of the same household only), or something in relation to hand-washing.

### Holy Saturday

Observe the Easter Vigil at home, by specifying some dedicated time let us fill in slots from 8pm – Midnight. During this time, they would put a lighted candle in the window.

You can even light a candle online.

### Easter Sunday

Light a candle at dawn or sometime during the morning using the following prayer:

Christ yesterday and today, the beginning and the end, Alpha and Omega, all time belongs to him, and all ages; to him be glory and power, through every age and for ever.  
**Amen.**
