

Jesus falls the third time

The cross was so hard and so heavy that even Jesus fell down a third time when he was carrying the cross and walking to the Place of the Skull. But Jesus didn't give up, because he knew what he had to do – and he knew the end of the story: Easter Sunday.

To remember Jesus falling with the cross, sit and rest.

'in falling and rising again we are always held close in love ... For our falling does not stop him loving us'

Julian of Norwich

We pray:

Jesus, help us when we feel like giving up.

Help us to remember it is okay to fall and need to rest. Thank you for being there to help us up and give us the strength to keep trying.

Amen.
