To our valued audience:

As you are all painfully aware by now, we are dealing with an unprecedented public health situation, both locally and nationally. On Thursday, May 12, 2020, a meeting was held with the directing staff and booster officers, in consultation with the New Kensington-Arnold School District, to discuss how to best move forward with this production while ensuring a safe environment for our students, staff, volunteers, and audience.

Ultimately, the decision was made to err on the side of caution, given the current ever-changing environment, and postpone the upcoming performances, scheduled April 2-5, 2020. We have spent the time since coming to this decision working with the district to find a time that should be both late enough to ensure a safe performance environment, and that does not directly interfere with other previously scheduled events in the district.

We are now happy to announce plans to perform Newsies for our community, May 14 – 17, 2020, at Valley High School.

All previously purchased tickets will be honored for the new show dates, and refunds are available for those tickets if desired. If you purchased tickets online, over the phone, or in-person with a credit card, please contact [support@showclix.com](mailto:support@showclix.com) or 888.718.4253 (option 1) for a refund. If you purchased your tickets at our box office with cash or check, we will be announcing box office hours where you may process your refund request in person.

As always, we greatly appreciate your continued support of our students and are very excited to welcome you to our theatre May 14 – 17, 2020, as we carry the banner!
