The Order of Ministry
As a Commissioned or Ordained Minister

with

The Oklahoma Commission on Clergy
Christian Church (Disciples of Christ) in Oklahoma

Revised and Approved by Commission on Clergy 5-9-16
THE ORDER OF MINISTRY

“The church recognizes an order of ministry, set apart under God, to equip the whole people to fulfill their corporate ministry” (Paragraph 86, Design of the Christian Church).

In its ordering of ministry, the Christian Church (Disciples of Christ) recognizes a Commissioned ministry and an Ordained ministry. The church expects the women and men it Commissions and Ordains to demonstrate educational qualifications and competencies in several areas of personal integrity and pastoral practice, as well as a clear call to and passion for ministry. The church is called to provide significant Congregational and Regional support for those seeking to serve in ministry, whether Ordained or Commissioned.

It bears reiteration that throughout history, Disciples have recognized various methods of preparation for ministry. Over the course of the 20th century, Disciples placed increasing emphasis on a graduate seminary degree as a credential for Ordination, even while recognizing that for some individuals other methods of preparation might be more appropriate in consideration of certain circumstances such as life situation, community, ministry setting, and cultural and ethnic context.

STEPS IN THE JOURNEY

Step One:
Contact a member of the Pastoral Staff of the Christian Church in Oklahoma to request a copy of the “Application for Admission to Candidacy” packet. The Regional Minister will provide a Regional Directive so the candidate may complete a Ministerial Profile, which includes a criminal background check. (Contact information for Regional staff can be found on page 12.)

Step Two:
Complete the application materials and send them to the Regional Office. (For a check list of materials to be turned in, see page 6)

Step Three:
Upon receipt and review of all application materials interviews will be scheduled with a Regional Pastor, two or more members of the Commission on Clergy and/or a representative of the Commissioned Ministry Training Program Board, as appropriate. (For information on the Oklahoma Commission on Clergy and its responsibilities in the Commissioning and Ordination process, see pages 9 & 10)

In consultation with the Regional Pastor and the Commission on Clergy, you will be assisted in discerning your fitness for ministry and developing a “Journey Toward Ministry Plan.” This will include an assessment of your spiritual, emotional, moral, intellectual and educational capacities for the practice of ministry.

The church looks to candidates for:
• the personal, inward call from God, which leads persons to seek such ministry,
• the God-given gifts and graces,
• the personal characteristics and aptitudes, and
• the preparation and promise (e.g., educational, skills, etc) that they have for effective ministry.

The educational portion of your plan will include a consideration of the academic course of study appropriate to your circumstances and needs. Your course of study may include:

• Master of Divinity through an accredited seminary toward Commissioning or Ordination.
• Master of Arts in Ministry and Culture or its equivalent through an accredited seminary toward Commissioning or Ordination.
• Commissioned Minister Training Program toward Commissioning
• Commissioned Minister Training Program (Apprentice Track) toward Ordination.

For more information on each track, see pages 7 & 8.
Step Four:
The Commission on Clergy will take action on your application. If approved, you will come under the care of the Commission on Clergy as a CANDIDATE for the Order of Ministry. Then:

Step Five: As a CANDIDATE, you will be expected:

A. To maintain contact with the Regional Pastor and the Commission on Clergy by:
B. Meeting deadlines for requested material and keeping all scheduled appointments with the Commission on Clergy. This will typically involve at least one IN-CARE interview annually with members of the Commission on Clergy.
D. Keeping the Regional Pastoral Staff informed of current residence, change in educational institutions, or vocational plans.
E. Relating to and maintaining membership with an Oklahoma congregation of the Christian Church (Disciples of Christ) or the United Church of Christ.
F. Completing a “Stole Camp” experience and a “Healthy Boundaries” workshop, both sponsored and required by the Region. (See information on page 11)
G. To meet other requirements that apply to all members of the Order of Ministry including:
   a. Perform faithfully the duties of a minister in whatever ministry site to which you are called.
   b. Participate in regular study, growth and renewal by completing and reporting at least 16 hours of Continuing Education each year, and completing a Healthy Boundaries training program every three years.
   c. Adhere to the Ministerial Code of Ethics of the Christian Church. (Included in your Application Packet)
   d. Meet the personal qualifications for admission to the Order of Ministry. (See page 16 of the Theological Foundations and Policies and Criteria for the Ordering of Ministry. This can be found at: disciples.org/Portals/0/PDF/TFPCOM/TFPCOM-Final.pdf
   e. Make Personal Disclosures required on the Application for Candidacy form and on the annual Request for Standing Form you will receive from the Regional Office each November.

Step Six:
When, as a candidate, you have a ministry position, you may request that the Commission on Clergy designate you as a COMMISSIONED MINISTER. This designation is specific to your ministry setting and must be renewed annually. This credentialing will authorize you to perform general ministerial functions under the supervision of an educational institution and/or the Oklahoma Region.

Step Seven:
As you approach the completion of your “Journey Toward Ministry Plan”, you will be guided by the Regional Pastor and the Commission on Clergy to update your application for Candidacy form as needed; provide other information as requested, and apply for Commissioning or Ordination.
At this point in your preparation you will need a sponsoring congregation. This is a recognized congregation of the Christian Church (Disciples of Christ) that has decided to sponsor you for commissioning or ordination. This will typically be the congregation where the service of commissioning or ordination will be held. The Board of Elders of the sponsoring congregation will have a personal interview with you and send a letter to the Commission on Clergy stating their recommendation of you for commissioning or ordination and agreeing to sponsor you.

**Step Eight:**
At a meeting of the Commission on Clergy, your application will be considered. If your application is approved, the Commission on Clergy will schedule a Commissioning or Ordination Council.

**Step Nine:**
Following the Council interview, the Commission on Clergy will take action on the recommendation of the Commissioning or Ordination Council. If approved, a service of Commissioning or Ordination will be scheduled.

**Step Ten:**
It will be your responsibility, working with your Sponsoring congregation and the commissioned or ordained Ministerial Staff of the Region to plan your commissioning or ordination service. The Regional office will provide you with a copy of “Guidelines for Commissioning and Ordination for Candidates and Sponsoring Congregations” upon your approval for commissioning or ordination.
