GENERAL COUNSEL
David Tykulsker, Esq.

Dear Friend,

Please join the NJ Work Environment Council (WEC) on **Friday, November 18, 2016**, at 6:30 PM for our **30th Anniversary Celebration & Annual Awards Dinner** to be held at The College of New Jersey, in the Education Building, Room 212, in Ewing, New Jersey.

This year we honor:

- **Jim Young**, *Principal, The Labor Institute & WEC Board Member* for helping the United Steelworkers and Sierra Club found the BlueGreen Alliance, dedicated to expanding jobs in a clean energy economy.
- **Jeanne Otersen**, *Chief of Staff, Health Professionals & Allied Employees* for her tireless efforts advocating for New Jersey's nurses and health care professionals.
- **Colandus "Kelly" Francis**, *President, Camden County Branch, NAACP & WEC Board Member* for his lifelong commitment to fighting for social and environmental justice in Camden.

This year, we will also honor two outstanding recipients with our new **Rising Star Award**, designed to recognize outstanding new leaders. The inaugural recipients will be:

- **Reynalda Cruz**, *Organizer, New Labor* for motivating members to take action against employers that commit wage theft and advocating for improved workplace health and safety conditions.
- **Nicole Scott Harris**, *Organizer, New Jersey Environmental Justice Alliance* for working to pass the landmark Environmental Justice & Cumulative Impacts Ordinance in Newark.

Please join us in celebrating the achievements of our honorees by either sponsoring the event, placing an ad in the journal (print and online) and/or purchasing tickets. You can help honor **WEC's 30th Anniversary Celebration** by returning the enclosed order form with any variety of support.

Approximately 150 labor, environmental, and community leaders and public officials who represent many thousands of New Jersey workers and residents are expected to attend. We hope you will join us.

We count on the generosity of our members to help fund WEC's mission, *working for safe, secure jobs and a healthy, sustainable environment.*

Thank you for your kind consideration.

In Solidarity,

Rev. Fletcher Harper
President

OUR MISSION

The New Jersey Work Environment Council (WEC) is an alliance of labor, community, and environmental organizations working together for safe, secure jobs, and a healthy, sustainable environment. WEC links workers, communities, and environmentalists through training, technical assistance, grassroots organizing, and public policy campaigns to promote dialogue, collaboration, and joint action.
