Treasure Valley AMC Club of Idaho

Adopted Bylaws

Like all clubs, The Treasure Valley AMC Club of Idaho and its members strive to meet the clubs conduct expectations.

Basic foundations are necessary to keep a good standing image among the general public.

A simple thing to keep in mind is, once a club has gotten a reputation for having unruly members, it is virtually impossible to rid its self of that.

This drags the entire club and its members down, which could and in most cases would result in the loss of show privileges, sponsorships and an overall down fall of the club.

<> Remember as a club member; wherever you go you are representing The Treasure Valley AMC Club and its reputation.

<> Club participation at shows is encouraged but not mandatory.

<> Member segregation or the formation of clicks/groups within the club should be avoided.

<> Fighting (physically or verbally) with a fellow member or anyone else during events or functions will not be tolerated. (We are one club, can't we all just get along. ☺)

<> Discrimination of another club member or belittling them will also not be tolerated. (Remember not everyone can either afford or wishes to upgrade or change their cars the same as you.)

<> Engaging in verbal arguments with sponsors or hosts is discouraged. An officer of the club should handle any and all sponsor or host related problems.

<> Stealing or damaging someone's property, vandalism and destruction of private property etc. is also not acceptable.

<> We do not condone the improper use of alcohol at organized events, drink responsibly always.

<> Most importantly....."HAVE FUN".....that's what we are here for and what we are all about.
