**VP, LEGAL
(7+ Years Experience)
(Markham)**

Our client, Xplornet Communications Inc. ("Xplornet"), is one of Canada's leading broadband service providers. For over a decade, Xplornet has been using its unique wireless and satellite network to offer Internet access to rural customers across Canada. By focusing on the customer, Xplornet has gone from a Canadian start up in 2004 to a major player in Canadian telecom. Every day, over 1,000 Xplornet employees across Canada work to connect rural Canadians to what matters. With customers and dealers in every province and territory, Xplornet continues to execute its growth strategy, including launching Xploremobile in late 2018.

Xplornet relies on its legal department to support its growing business groups advising both on corporate and regulatory matters. It is now looking to fill the position of VP, Legal. As a leader within the legal team, you will have 3 reports and be part of the Leadership Team. Your work will include strategizing, negotiating and drafting a variety of complex commercial agreements, working on M&A and financing transactions, providing legal support on corporate and regulatory matters, mentoring your reports and setting the budget for the legal department. This senior position will be located in Markham and report directly to the Executive Vice President, General Counsel.

The ideal candidate will have a minimum of 7 years of commercial experience gained at a major firm or corporation. Any commercial IT or telecom/wireless/satellite, financing or regulatory experience will also be seen as an asset. Excellent drafting skills plus an ability to think logically and to navigate operational challenges will be a must. As well, a business background or interest in the business side of a corporation will be of interest. Ideally, the individual will be bilingual (French and English), however, this is not essential. This person will need to be confident, assertive and bright as he/she will be working directly with the business groups and other members of the Executive Team.

This is an exceptional opportunity with a growing, exciting, private Canadian company as it continues to expand. The environment is dynamic and professional and the culture is energetic. It offers an attractive compensation package, diverse work and growth opportunities.
