

Important Rules that ALL TEAMS and their Supporters must follow:

(Please Review closely and advise team members and their supporters)

Minor Infractions by the team or anyone associated with the team will receive a one-time only warning. Second warnings or major infractions will result in a **minimum of 25 penalty points to a team's score plus teams will be financially responsible for any damage.** A team will also be assessed these penalty points & would be financially responsible for damage done by family & visitors associated with their team. **Please review these rules with all team members, families & visitors.**

Amphitheater Public Schools is sponsoring our tournament at no charge.

To be good stewards of their campus & to thank them for their generosity, we ask coaches, teams, parents, visitors, & volunteers respect the campus grounds. That means:

NO WEAPONS are allowed on campus. Multi-tools and other sharp instruments **MUST** be held in possession of the coach.

NO SMOKING anywhere on the campus. **This includes use of marijuana with or without a medical card.**

NO FOOD OR DRINK (other than water) in any of the competition buildings.

NO FOOD or Team Prep in the Fine Arts Building –Please do not bring your props in until you are ready to enter pre-staging (20 minutes before competition times. Please do not block other teams' movement through the halls.

Teams are welcome to use central grounds areas of the campus. Please do not climb trees, walls, buildings or on roofs. Do not attach grappling equipment to the trees or throw things that might accidentally break windows or people. Do not enter buildings not marked on the map. Do not kick or abuse vending machines. No Fog machines are allowed in the buildings. No playing pianos & such (good rule of thumb – if it does not belong to you, don't touch). **The football field and other outlying areas are off-limits.** All other common sense rules apply.

Teams and their sets, props, etc. should not arrive in the pre-staging areas more than 20 minutes before their performance time. There will be 4 problem sites in the fine arts building so teams **MAY NOT** bring any props or sets into the building before the 25 minute allowance time. Teams **MAY NOT** leave anything in the fine arts building before or after their performance. **Unsportsmanlike penalties will be assessed** because this interferes with other teams' ability to move their props and sets through the congested areas.

EVERY TEAM IS REQUIRED TO TAKE HOME ALL THEIR PROPS, BACKDROPS, ETC. Please do not discard on **campus.** All props, sets, costumes, etc. must be reloaded into the vehicles they came in and leave the tournament site at the end of the tournament. **DO NOT USE THE DUMPSTERS.** This will minimize the cost to AMPHI associated with trash collection.

We are fortunate to have ROTC students who will be door monitors for the tournament. This relieves parents and other team supporters of this requirement. Please remind parents that they need to be in the audience prior to the doors being closed or they will NOT be admitted. **Anyone who harasses these student volunteers will receive a penalty for the team they are supporting.**
