WHAT YOU CAN EXPECT FROM US

Safety is our number one priority. We will be following all required guidelines and best practices for operating safely in this new normal. Here is what we're doing to keep you safe:

- Vendors are always required to wear disposable gloves and face masks while working.
- All staff required to wash hands prior to starting work, frequently during shifts and between tasks.
- All staff to have temperature check upon arriving for work.
- All food handled with utensils to limit touchpoints.
- All food and condiments to be packaged in "to go" containers.
- All tables in seating area will be placed at least 6 feet apart.
- All seats, tables and restroom facilities will be cleaned and sanitized regularly.
- All payment devices will be sanitized after every use.
- All attendees will be required to practice social distance guidelines, keeping at least 6 feet away from other parties.
