Chapter 179. SOLID WASTE

Article II. Dumpsters

§ 179-7. Dumpsters/containers and receptacles; permit required.

- A. Except for dumpsters, containers or receptacles used for ordinary commercial collection of garbage, no dumpster, container or receptacle of any capacity of yards of refuse, rubbish or debris shall be placed upon any private property without a permit issued by the Village of Canastota.
- B. A permit for the use of a dumpster, container or receptacle may be issued pursuant to this article upon written application, which application shall contain the following information:
- (1) The proposed location for such dumpster, container or receptacle;
 - (2) The size and capacity of such dumpster, container or receptacle;
 - (3) The name of the owners and addresses of the abutting properties;
 - (4) The period of time during which use of said dumpster, container or receptacle is proposed or required;
 - (5) No dumpster is to be placed within 15 feet of any fire hydrant.
 - (6) Preexisting dumpsters will not be grandfathered into this article.
 - (7) Any other information as may be required by the Village of Canastota.
- C. Each permit issued pursuant to this article shall be valid for a period of time as specified therein. Upon written application, the Village of Canastota may extend the period of time during which the permit is valid. In granting any such permit, the Village of Canastota may impose conditions of permit approval where such conditions are appropriate, in the opinion of the Code Enforcement Officer, for the preservation of the public health and general welfare or for protection of public safety.
- D. Each application for a permit hereunder shall be accompanied by a nonrefundable fee in an amount to be established by resolution of the Board of Trustees.
- E. Commercial dumpsters. A temporary permit for the placing and use of commercial dumpsters within the right-of-way of a Village street for a period of not more than 30 days may be issued by the Code Enforcement Officer. Such permit may be renewed at the discretion of the Code Enforcement Officer for additional thirty-day periods, up to a maximum total permit term of six months, if work is not completed but is progressing diligently. It is the responsibility of the owner/contractor to place the dumpsters in a safe and passable area and to provide safe and adequate light-reflective material or flashing lights warning vehicular/pedestrian traffic of the existing hazard. There shall be a fee for a placement of each dumpster, which shall be as set forth by resolution of the Village Board of Trustees in the Master Fee Schedule, which may be amended from time to time.
- F. If a residential property owner contracts work to be done on said residential property, that residential property owner shall be responsible for the residential fees. The residential property owner must abide by all of the provisions of this article.
- G. Fees:
- (1) Commercial: \$50.
 - (2) Contractor: \$50.
 - (3) Residents: \$25 (over two weeks).
 - (4) Residents: no fee (under two weeks).
