FREE CLINIC OF CENTRAL VIRGINIA OPENS NEW LOCATION IN BEDFORD, VA
Satellite Location Increases Healthcare Access for the Uninsured

[Bedford, VA May 18, 2021—] The Free Clinic of Central Virginia has opened a satellite location in downtown Bedford at 104 Center Street and is now accepting new patients. The Bedford location is open on Tuesdays from 10:00 a.m. to 4:00 p.m. Services, offered by appointment, include primary care, behavioral health services, eye care, and COVID vaccinations.

Christina Delzingaro, CEO of the Free Clinic of Central Virginia, said: “We are pleased to be able to increase our reach and improve access to high-quality, comprehensive healthcare for uninsured adults in Bedford. At a time when so many hard-working adults find they must decide between seeing a doctor and paying a utility bill, we stand in the gap to help create a healthier community.”

The Free Clinic of Central Virginia serves uninsured or underinsured adults residing in Virginia with total household income of less than 250% of the Federal Poverty Level. For more information about the eligibility process or to make an appointment, call 540-707-5500 for Bedford, or 434-847-5866 for Lynchburg.

(Boilerplate) The Free Clinic of Central Virginia was founded in 1987 with a vision that everyone should have a medical home that provides for optimal individual and community wellness. The mission of the Free Clinic of Central Virginia is to ensure high-quality, compassionate, and comprehensive healthcare for every member of our community. The Free Clinic fulfills this mission by providing high-quality medical, dental, pharmacy, behavioral health and health education services to those in Central Virginia who do not have the resources to obtain these essential healthcare services.
