

OFFICE OF CONSUMER ADVOCATE

The Office of Consumer Advocate (OCA) is a division of the Iowa Attorney General's office. The OCA is a party and receives and reviews all filings in electric transmission and pipeline dockets before the Iowa Utilities Board (IUB), including all objections publicly filed in this docket.

This is a preliminary meeting so the OCA has not yet taken a position on the merits of this proposed project because the company has not yet filed its petition with the details of its plan.

When the company does file its petition, OCA's staff of lawyers and technical personnel will analyze the company's proposal. After that analysis, the OCA will state its position on the proposed project in a filing with the IUB. The OCA will actively participate throughout the course of this proceeding.
