

State Park Speedway Super Late Model Pit Slab Rental 2021

Because of the high demand for pit slabs this year, we would like to have the Super Late Model division make your request for a pit slab by April 30th, 2021. After we have closed pit requests for this division, we will open up requests to other divisions. We have a total of 35 pit slabs that can be reserved. They will be reserved on a first come first serve basis. If you want to reserve the same spot you had last year, please put the number of your request in the space provided.

Special Requests _____

The cost of a slab is \$156.00 for the season, which is for 13 events. Otherwise, they can be rented for \$15.00 per race if available.

This does include the ARCA Midwest Tour / Detjens Race, TUNDRA Series and Midwest Trucks. **If you are registered for the event at least one week in advance, which is something you must do to participate, you will maintain the use of your slab. You cannot assign your slab to anyone else. The slab is only for the original applicant. If you are not going to race any of the 4 above races you must let Ron Wimmer know one week ahead.**

To reserve your slab, you must pay in full. A slab will be reserved for you upon receipt of this form. Payment must be made by April 30th, 2021.

The importance of early request is so the remaining divisions can save their slabs and we can let them know what is available.

Please mail with check to reserve your slab.
