PRESENTATIONS

2021

Lviv, Ukraine, July
• IOFBs: Management step by step
• Eyes with NLP vision after trauma
Kuhn, F.

1976-1978. Halle Retina Course
Halle, Germany, July
• Diabetic macular edema: inject or operate?
• Retinal detachment: pathophysiology and treatment
• Traction maculopathies
Kuhn, F.

1975. ASOT Inaugural Meeting
Washington, DC, June
• Ocular traumatology: A journey from almost nothing to almost everything
Kuhn, F.

1973-1974. APOTS - Tianjin University Trauma Conference
Tianjin, China, June
• Timing of surgery for open globe injuries: Better early than late
• Treatment of open globe trauma: Better late than never
Kuhn, F.

1972. Annual Meeting, Mexican VitreoRetinal Society
Mexico City, Mexico, May
• Serious ocular trauma: timing of the essence
Kuhn, F.

Manila, Philippines, May
• The timing of reconstruction in severe eye injury
• Traumatic endophthalmitis: what, when, and why
Kuhn, F.
1968-1969. 20th Annual Meeting, Colombian VitreoRetinal Society
Bogota, Colombia, March
• Traumatic cataract: Pitfalls
• BETT: Do we need an update?
Kuhn, F.

1967. Vitreoretinal Surgery Master Class
Hyderabad, India, February
• Never give up
Kuhn, F.

1966. APOTS
Singapore, January
• Global task force to have trauma recognized as a subspecialty in ophthalmology
Kuhn, F.

2020

1965. GIVRE
Trieste, Italy, December
• Rhegmatogenous retinal (re)detachment: Why?
Kuhn, F.

San Francisco, California, November
• Open globe trauma: Surgical management for the on-call ophthalmologist
Kuhn, F., Justin, GA, Gardiner, MF, Colyer, M.
• Ophthalmic trauma: Principles, concepts, and recent advances
Gangadhara, S., Woreta, F., Lee, A., Kuhn, F.
• Controversies in the management of the injured eye
Mieler, W., Kuhn, F.

1961. ISOT/DOG Joint meeting
Berlin, Germany, October
• Counseling
Kuhn, F.

1960.
Singapore, September
• Ocular traumatology: My journey
Kuhn, F.
1959. **ACOREV**  
*Bogota, Colombia, September*  
• BETT, OTS  
Kuhn, F.

1958. **Annual Meeting, Pan-American Society of Ophthalmology**  
*Buenos Aires, Argentina, August*  
• PVR prophylaxis in severe trauma  
Kuhn, F.

1957. **Annual Meeting, Eurolam**  
*Monterrey, Mexico, August*  
• Complete and early vitrectomy for postoperative endophthalmitis (CEVE)  
Kuhn, F.

1956. **University of Alabama at Birmingham, Department of Genetics**  
*Birmingham, Alabama, May*  
• Laser prophylaxis in stickler syndrome: Modified ora secunda cerclage (OSC/SS)  
Morris, R.

2019

1955. **Annual Meeting, American Academy of Ophthalmology**  
*San Francisco, California, October*  
• Complete and early vitrectomy for endophthalmitis after cataract surgery: An alternative treatment paradigm  
Dibb, B., Morris, R., Kuhn, F.

1954. **Annual Meeting, Euretina**  
*Paris, France, September*  
• Vitrectomy in open globe injuries: Do it before it's too late!  
Kuhn, F.

1950-1953. **Inaugural Congress, Latin American Society of Ocular Trauma**  
*Santiago, Chile, July*  
• BETT  
• Counseling the patient with ocular trauma  
• Quo vadis, medicina  
• Strategic planning  
Kuhn, F.
1948-1949. American Society of Retina Specialists Annual Meeting
Chicago, Illinois, July
• Complete and early vitrectomy for endophthalmitis (CEVE) after cataract surgery
• Ocular venous air embolism (OVAE)
Morris, R.

1943-1947. SOE Biannual Meeting
Nice, France, June
• Preoperative diagnosis of PVD: Really?
• Quo vadis, medicina?
• Scleromalacia and the vitreoretinal surgeon
• Unrecognized traumatic endophthalmitis
• Management of eyes with a chronic intraocular foreign body
Kuhn, F.

1938-1942. 19th Annual Meeting, EVRS
Lisbon, Portugal, June
• Vitrectomy for Uveitis
• Temporary keratoprosthesis vitrectomy: Indications and surgical techniques
• Scleromalacia and the VR surgeon
• Traumatic endophthalmitis
• Chronic IOFB
Kuhn, F.

1936-1937. 19th Annual Meeting, EVRS (instruction course)
Lisbon, Portugal, June
• Trauma: The 3 gravest sins
• The good, the bad, and the ugly: How to make an effective presentation
Kuhn, F.

1933-1935. McGill University 32nd Annual Clinical Day
Montreal, Canada, June
• Treating patients with open-globe injuries: The do's and the don't do's
• The basics of closing corneal wounds
• The basics of closing scleral wounds
Kuhn, F.

1932. McGill University 32nd Annual Clinical Day (panel)
Montreal, Canada, June
• Challenging trauma cases: What would you do?
Kuhn, F.
University of Alabama at Birmingham Annual Clinical and Research Symposium
Birmingham, Alabama, May

• “Out of the darkness” video on ocular trauma
Winner for best third year resident presentation, Dr. Bernard Dib Morris, R.

1,923-1,930. Soochow University, Lixiang Eye Hospital
Soochow, China, May
• Pathophysiology of retinal detachment
• Diabetic macular edema: Multiple injections or one surgery?
• Timing of surgery for severe ocular trauma: Why early?
• Closing corneal wounds
• Closing scleral wounds
• Prophylactic chorioidectomy
• IOFB management
• Scleromalacia
Kuhn, F.

1,909-1,922. EVRTS
Bremen, Germany, April
• Should you become a VR surgeon?
• CEVE for endophthalmitis
• Pathophysiology of retinal detachment
• Management of expulsive choroidal hemorrhages
• Closing corneal wounds
• Closing scleral wounds
• Hyphema management
• Iris reconstruction
• Traumatic cataract
• Timing of surgery in trauma
• Open globe injuries
• Vitreous hemorrhage
• Prophylactic chorioidectomy
• IOFB management
Kuhn, F.
1,904-1,908. Baltic Surgeons Society  
*Tallin, Estonia, April*  
•Suturing corneal and scleral wounds  
•Timing of surgery in severe trauma  
•Never give it up  
•Scleromalacia  
•Vertical digging in severe vitreous hemorrhage  
Kuhn, F.

1,903. *World Retina Congress*  
*Fort Lauderdale, Florida, March*  
•Primary vitrectomy (CEVE) for endophthalmitis  
Kuhn, F.

1,902. *Vail Vitrectomy Meeting*  
*Vail, Colorado, February*  
•The air sandwich plus BSS technique for submacular hemorrhage  
Kuhn, F., Morris, R.

1,901. *Callahan Eye Hospital/UAB Trauma Meeting*  
*Birmingham, Alabama, January*  
•Has vitrectomy improved the prognosis of a severe eye injury?  
Kuhn, F.

2018

1,899-1,900. *49th Annual Meeting, Catalan Vitreoretinal Society*  
*Barcelona, Spain, November*  
•Comprehensive reconstruction of the severely injured eye: No room for delay!  
•Has vitrectomy improved the prognosis of the patient with a severe eye injury?  
Kuhn, F.

1,897-1,898. *ESASO*  
*Warsaw, Poland, October*  
•Chorioretinectomy for treatment the prevention of proliferative vitreoretinopathy in traumatic and non-traumatic patients  
•Pars plana vitrectomy in the treatment of diabetic macular edema – long-term results  
Kardaszewska, A., Kuhn, F.

1,896. *Annual Meeting, Swedish Society of Ocular Trauma*  
*Stockholm, Sweden, October*  
•Severe eye injuries: Is there any benefit of delaying the vitrectomy?  
Kuhn, F.
1,895. Annual Meeting, Swedish Society of Ocular Trauma (panel)
Stockholm, Sweden, October
• Eye trauma: Timing of intervention and wound closure basics
  Kuhn, F., Fricke, O.

1,893-1,894. Annual Meeting, Swedish Society of Ocular Trauma (instruction courses)
Stockholm, Sweden, October
• Retinal detachment: Pathogenesis and treatment
• Eye trauma: Timing of intervention and wound closure basics
  Kuhn, F.

1,890-1,892. Annual Meeting, European Vitreoretinal Society
Prague, Czech Republic, September
• Vitrectomy for retinal detachment: technical tricks to increase your success rate
• Traumatic cataract: who should do what and why?
• Do we need a level-1 evidence-based study to make clinical decisions?
  Kuhn, F.

1,889. Annual Meeting, European Vitreoretinal Society (instruction course)
Prague, Czech Republic, September
• Retinal detachment: Pathogenesis and treatment
  Kuhn, F.

1,888. Kraków-Lublin Ophthalmology Summit
Lublin, Poland, September
• Chorioretinectomy for injuries and other indications
  Kardaszewska, A., Kuhn, F.

1,887. Annual Meeting, Asia-Pacific Ocular Trauma Society
Chennai, India, July
• What benefits has vitrectomy brought to ocular traumatology?
  Kuhn, F.

1,886. Retina update, Zagorski Eye Hospital
Naleczow, Poland, June
• Diabetic macular edema: Tens of injections or a single surgery?
  Kuhn, F.
1,884-1,885. *World Ophthalmology Congress*  
*Barcelona, Spain, June*  
• IOFBs: The DOs and don’t DOs  
• RD: Why PPV and not scleral buckling?  
Kuhn, F.  

1,883. *World Ophthalmology Congress (instruction course)*  
*Barcelona, Spain, June*  
• Trauma breakfast  
Kuhn, F.  

1,880-1,882. *13th Biannual Meeting, International Society of Ocular Trauma*  
*Portoroz, Slovenia, June*  
• The treatment of scleromalacia  
Kuhn, F.  
• Prophylactic chorioretinectomy  
Schrader, W., Kuhn, F.  
• Vitrectomy for Valsalva maculopathy  
Balog, S., Kuhn, F.  

1,879. *University of Alabama at Birmingham Annual Clinical and Research Symposium*  
*Birmingham, Alabama, May*  
• Complete and early vitrectomy for acute post-cataract endophthalmitis (APCE)  
*Winner of Lynn McMahon Award for best second year resident presentation, Dr. Bernard Dib*  
Morris, R.
1,864-1,878. EVRTS
Bremen, Germany, May
•Should you become a VR surgeon?
•Quo vadis, medicina?
•Vitrectomy for retinal detachment
•Management of expulsive choroidal hemorrhages
•Closing corneal wounds
•Closing scleral wounds
•Hyphema management
•Iris reconstruction
•Traumatic cataract
•Timing of surgery in trauma
•Open globe injuries
•Vitreous hemorrhage
•Prophylactic chorioidectomy
•Vitrectomy: The basics
•IOFB management
Kuhn, F.

1,854-1,863. Yale University Grand Rounds
New Haven Connecticut, April
•Acute open globe injury - What to do now?
•Acute intraocular foreign bodies
•Suturing eyewall wounds
•Management of an expulsive choroidal hemorrhage
•Traumatic endophthalmitis
•Removal of a hyphema
•Chronic intraocular foreign bodies
•Surgical techniques in PVR surgery
•The eye with NLP vision
•Chronic rupture injuries
Kuhn, F.

1,851-1,853. Ocular Trauma Symposium
Belgrade, Serbia, April
•The BETT and epidemiology
•Timing and staging
•Ophthalmologists in training: What to do with the patient arriving with fresh injury?
Kuhn, F.
1,841-1,850. BIOR
Denpasar, Bali, Indonesia, March
• The BETT system
• The OTS
• Counseling
• Timing and staging in ocular traumatology
• Wound closure basics
• Pearls in treating the eye with severe trauma
• When the VR surgeon becomes something else
• Management of the phthisical eye
• Late posttraumatic endophthalmitis
• Who should become a VR surgeon?
Kuhn, F.

1,840. BIOR (panel)
Denpasar, Bali, Indonesia, March
• Medical retina cases
Kuhn, F.

1,836-1,839. Asociacion para Evitar la Ceguera Trauma Course
Mexico City, Mexico, February
• BETT and OTS
• Counseling
• Strategic planning in ocular traumatology
• Retinal detachment: Pathogenesis and treatment
Kuhn, F.

1,833-1,835. Asociacion para Evitar la Ceguera Trauma Course (panel)
Mexico City, Mexico, February
• Difficult trauma cases
• Management of traumatic endophthalmitis
• Posterior segment trauma
Kuhn, F.

1,832. ESCR S Winter Meeting
Belgrade, Serbia, February
• Traumatic cataract
Kuhn, F., Ignjatovic, Z.
2017

1,831. Lions Clubs and Lions Clubs International
Chicago, Illinois, November
•Research Breakthroughs
Morris, R.

1,830. University of Alabama at Birmingham Infectious Diseases Grand Rounds
Birmingham, Alabama, November
•Endophthalmitis
Morris, R.

1,828-1,829. Annual Meeting, Polish Retina Society
Katowice, Poland, November
•Quo vadis, medicina?
•Dogmas in ophthalmology
Kuhn, F.

1,827. Annual Meeting, Polish Retina Society (teaching course)
Katowice, Poland, November
•Retinal detachment: Pathophysiology and treatment
Kuhn, F.

1,824-1,826. Annual Meeting, American Academy of Ophthalmology (teaching courses)
New Orleans, Louisiana, November
•IOFB injuries: An update
Kuhn, F., Dalma, J.
•Ophthalmic trauma: Principles, concepts, and recent advances
Gangadhara, S., Woreta, F., Lee, A., Kuhn, F.
•Controversies in the management of the injured eye
Mieler, W., Kuhn, F.

1,821-1,823. 13th Annual Meeting, Argentian VitreoRetinal Society
Iguazu, Argentina, September-October
•Retinal detachment: Pathophysiology and treatment
•Diabetic macular edema: 1 surgery or 30 injections?
•Prophylactic chorioretinectomy
Kuhn, F.
1,818-1,820. 13th Annual Meeting, Argentinian VitreoRetinal Society (teaching courses)
Iguazu, Argentina, September-October
  • Ocular trauma
  • Diabetic retinopathy
  • Macular surgery
Kuhn, F.

1,812-1,817. 13th Annual Meeting, Argentinian VitreoRetinal Society (panel)
Iguazu, Argentina, September-October
  • Ocular trauma
  • Vitreoretinal challenging cases
  • Management of PVR
  • Complications of VR surgery
  • Diabetic retinopathy
  • Macular surgery
Kuhn, F.

1,808-1,811. European VitreoRetinal Society, Annual Meeting
Florence, Italy, September
  • Severe eye injuries: The trouble with being late
  • Diabetic macular edema: One surgery or 30 injections
  • Prophylactic and late chorioretinectomy for severe ocular trauma
  • Vitrectomy for postoperative endophthalmitis: Surgical pearls
Kuhn, F.

1,807. Serbian Society of Ophthalmology
Arandjelovac, Serbia, September
  • Early vitrectomy for severe ocular trauma
Kuhn, F.

1,805-1,806. University of Mississippi, Department of Ophthalmology, 2017 Ophthalmology &
Ching J. Chen, MD Lecture
Jackson, Mississippi, August
  • Ocular Trauma
  • Complete and early vitrectomy for endophthalmitis (CEVE) vs endophthalmitis vitrectomy study (EVS)
Morris, R.
1,801-1,804. **Colombian VitreoRetinal Society**
*Cartagena, Colombia, August*
• If we have a serious eye injury… who will treat us?
• Dogmas in ophthalmology
• Uveitis: An indication for vitrectomy
• Murphy’s law: Failed cases
Kuhn, F.

1,798-1,800. **Biannual Meeting, SOE**
*Barcelona, Spain, June*
• The timing of intervention in severe globe trauma
• When the vitreoretinal surgeon turns into something else
• ILM removal in diabetic macular edema
Kuhn, F.

1,797. **University of Alabama at Birmingham Annual Clinical and Research Symposium**
*Birmingham, Alabama, May*
• Poster presentation - Complete and early vitrectomy for endophthalmitis (CEVE)
*Winner of Lynn McMahon Award for best first year resident presentation, Dr. Bernard Dib
Morris, R.*

1,793-1,796. **Annual Meeting, Royal College of Ophthalmologists**
*Liverpool, United Kingdom, May*
• Why RD repairs fail
• Vitrectomy for macular edema in DM
• Acute injury - what to do
• Perforating trauma
Kuhn, F.

1,788-1,792. **EVRTS**
*Bremen, Germany, May*
• Should you become a VR surgeon?
• Systematic PPV for RD
• Anterior segment trauma
• Posterior segment trauma
• PPV basics
Kuhn, F.

1,787. **Annual Meeting, DOC**
*Nuremberg, Germany, May*
• Rules for treating the injured eye
Kuhn, F.
Wilmer Trauma Course (panel)
Baltimore, Maryland, May
- Eye surgery: The basics
- Suturing corneal wounds
- Suturing scleral wounds
- The timing of comprehensive reconstruction in trauma
- PVR prophylaxis: chorioretinectomy
- Restoring the injured iris
- Managing the eye with lens trauma

Annual Meeting, Portugese Society of Ophthalmology
Lisbon, Portugal, March
- Ocular traumatology: The (bleak) future
Kuhn, F.

Leuven Retina Meeting (panel)
Leuven, Belgium, March
- Ocular trauma: Why to operate early
Kuhn, F.

2016

American Academy of Ophthalmology, Annual Meeting
Chicago, Illinois, November
- Video presentation - Complete and early vitrectomy for endophthalmitis
Morris, R.

Annual Meeting, Polish Retina Society
Katowice, Poland, November
- Laser cerclage prophylaxis for retinal detachment
Kardasewska, A., Kuhn, F.

Italian Society of Ophthalmology
Rome, Italy, November
- Expulsive choroidal hemorrhage
Camesasca, F., Kuhn, F.
ISOT Biannual Meeting (panel)
Singapore, November
• Anterior segment trauma
• Quo vadis, ophthalmology?
• Counseling the trauma victim
• Timing of surgery for open globe injuries
• Management of chronic IOFBs
• Late reconstruction of the injured eye
• Late chorionectomy for deep-impact IOFBs
• Scleromalacia: Surgical treatment
Kuhn, F.

Annual Meeting, American Academy of Ophthalmology (teaching courses)
Chicago, Illinois, October
• IOFB injuries: An update
  Kuhn, F., Dalma, J.
• Ophthalmic trauma: Principles, concepts, and recent advances
  Gangadhara, S., Woreta, F., Lee, A., Kuhn, F.

Ophthalmic Anesthesiologist Society, Annual Meeting
Chicago, Illinois, September
• Poster presentation - Venous air embolism in vitreoretinal surgery – An update
  Morris, R.

University of Arkansas at Little Rock
Little Rock, Arkansas, August
• Are ophthalmologists becoming robots?
  Kuhn, F.

Ocular Trauma Course (teaching course)
Greifswald, Germany, July
• Practical management of the injured eye
  Kuhn, F.

Ocular Trauma Course
Greifswald, Germany, July
• Management of IOFBs, step-by-step
  Kuhn, F.

Italian Society of Ocular Trauma (GIVRE)
Trieste, Italy, June
• Management of eyes with expulsive choroidal hemorrhage
• Prophylactic chorioretinectomy in trauma
  Kuhn, F.

*Amsterdam, Netherlands, December*
- Complete and early vitrectomy for postoperative endophthalmitis
  Kuhn, F., Gini, G.

1,111-1,113. *Annual Meeting, American Academy of Ophthalmology*

*Las Vegas, Nevada, November*
- The United States Eye Injury Registry
  Kuhn, F., Morris, R., Mann, L., Witherspoon, C.D.
- No light perception vision after trauma: Don't give it up!
  Kuhn, F.
- Secondary glaucoma after intravitreal triamcinolone injection
  Kuhn, F., Szijarto, Zs., Kiss, Gy., Mester, V.

1,109-1,110. *Annual Meeting, American Academy of Ophthalmology (teaching courses)*

*Las Vegas, Nevada, November*
- Management controversies in open globe injuries
  Mieler, W., Kuhn, F.
- Intraocular foreign bodies: An update
  Kuhn, F., Dalma, J., Morris, R.
1,108. Annual Meeting, American Academy of Ophthalmology (panel)
Las Vegas, Nevada, November
• Timing of comprehensive reconstruction of the severely injured eye
  Kuhn, F., Morris, R., Witherspoon, C.D.

1,107. Annual Meeting, European Vision and Eye Research (panel)
Villamoura, Portugal, October
• Postoperative endophthalmitis
  Kuhn, F., Gini, G.

1,106. Injury epidemiology course, University of Alabama at Birmingham
Birmingham, Alabama, October
• Epidemiology of eye injuries
  Kuhn, F.

1,101-1,105. American Society of Retina Specialists and European VitreoRetinal Society joint meeting
Cannes, France, September
• No light perception vision after trauma: never give it up!
• Reconstruction of an eye with posttraumatic phthisis
  Kuhn, F.
• Secondary glaucoma after intravitreal triamcinolone injection
  Kuhn, F., Szijarto, Zs., Kiss, Gy., Mester, V.
• Management of eyes with intraocular foreign body injuries
  Szijarto, Zs., Kuhn, F.
• Postoperative endophthalmitis
  Kuhn, F., Gini, G.

1,100. Injury Control Research Center Conference
Birmingham, Alabama, July
• Serious eye injuries in the elderly
  Kuhn, F., Morris, R., Mann, L, Witherspoon, C.D., Maisiak, R.

1,098-1,099. Annual Meeting, Alabama Academy of Ophthalmology
Sandestin, Florida, July
• Ocular trauma: An update
• Ruptured eyes: Management pearls
  Kuhn, F.
1,095-1,097. 7th Conference, International Society of Ocular Trauma (teaching courses)
Rome, Italy, June
• Principles in the management of eyes with high risk of proliferative vitreoretinopathy
  Mester, V., Kuhn, F.
• Management controversies in open globe injuries
  Mieler, W., Kuhn, F.
• Whose eye is it, anyway?
  Kuhn, F., Mester, V.

1,082-1,094. 7th Conference, International Society of Ocular Trauma
Rome, Italy, June
• Suturing corneal wounds
• No light perception vision after trauma: never give up!
• Pole-to-pole surgery for chronic eye injury
  Kuhn, F.
• Epidemiology of eye injuries requiring hospitalization and their correlation with the Ocular
  Trauma Score in the Hungarian Eye Injury Registry
  Balla, Zs., Kuhn, F.
• Eye injuries in the elderly
  Kuhn, F., Morris, R., Mann, L, Witherspoon, C.D., Maisiak, R.
• Eye injuries in sports
  Kuhn, F., Morris, R., Mann, L, Witherspoon, C.D., Maisiak, R.
• Treatment strategies for traumatic epiretinal membranes
• Pitfalls in anterior segment penetrating trauma caused by sharp objects
  Mester, V., Kuhn, F.
• Epidemiology and management of intraocular foreign body injuries: a case series
  Lewis, G., Kuhn, F., Morris, R., Witherspoon, C.D., Maisiak, R.
• Clinical epidemiology of eye injuries involving the posterior segment in the elderly
  Pakalnis, V.A., Morris, R., Mann, L, Witherspoon, C.D.
• Firearms-related eye injuries
  Pieramici, D., Kuhn, F.
• Prophylaxis of proliferative vitreoretinopathy by early vitrectomy in sever ocular trauma: results
  of a multicenter, prospective study
  Schrader, W., Kuhn, F., Mester, V.
• Vitrectomy for trauma: 20 g vs. 23 g vs. 25 g
  Kuhn, F.
1,073-1,081. 7th Conference, International Society of Ocular Trauma (panel)
Rome, Italy, June
• Pearls in the management of ocular ruptures
  Kuhn, F., Morris, R., Mester, V.
• Management of eyes with no light perception
• Epidemiology and management of IOFBS: a case series
• Clinical epidemiology of eye injuries involving the posterior segment in the elderly
• Ocular trauma in patients 60 years of age and over
• Ocular trauma sustained during sport activities
• Eye Injuries in the elderly
• Eye injuries in sports

1,071-1,072. 2nd Mediterranean Retina Meeting
Antalya, Turkey, June
• Management of endophthalmitis
  Kuhn, F., Gini, G.
• Internal limiting membrane removal for clinically significant macular edema
  Kuhn, F., Mester, V., Kiss, Gy., Szijarto, Zs., Morris, R.

1,070. Annual Meeting, Hungarian Ophthalmological Society
Sopron, Hungary, June
• Refer or let go blind?
  Kuhn, F., Kovacs, B.

1,069. Annual Meeting, Hungarian Ophthalmological Society (teaching course)
Sopron, Hungary, June
• Whose eye is it, anyway?
  Kuhn, F.

1,068. Annual Meeting, Asian Pacific Academy of Ophthalmology
Singapore, June
• 20, 23, and 25 gauge vitrectomy: A comparison
  Kuhn, F.
1,060-1,067. Annual Meeting, Asian Pacific Academy of Ophthalmology (panel)  
Singapore, June  
- 20, 23, and 25 gauge vitrectomy: A comparison  
Kuhn, F.  
- Vitrectomy: The basics  
Kuhn, F.  
- Surgery on the macular surface  
Kuhn, F., Morris, R., Mester, V.  
- Treatment of severe macular edema: Where are we today?  
Kuhn, F., Kiss, Gy., Szijarto, Zs., Mester, V.  
- Prevention of proliferative vitreoretinopathy in severe open globe injuries  
Kuhn, F., Schrader, W., Mester, V., Morris, R.  
- Closure of corneal wounds  
Kuhn, F.  
- Lens trauma: Pearls and pitfalls  
Kuhn, F., Mester, V.  
- Postoperative endophthalmitis  
Kuhn, F., Gini, G.

1,059. 2nd Advanced Vitreo-Retinal Course, National Eye Institute (teaching course)  
Singapore, June  
- Controversies in ocular trauma management  
Kuhn, F., Mieler, W., Mittra, R.

1,057-1,058. 2nd Red Sea International Conference  
Eilat, Israel, May  
- Posttraumatic endophthalmitis  
Kuhn, F., Gini, G.  
- Prevention of proliferative vitreoretinopathy in severe ocular trauma  
Kuhn, F., Schrader, W., Morris, R., Mester, V.

1,050-1,056. Vision 20/20 National Conference  
Kuwait City, Kuwait, May  
- BETT, the new language of ocular trauma  
Kuhn, F., Morris, R., Mester, V.  
- The Ocular Trauma Score  
Kuhn, F., Morris, R., Mester, V.  
- Counseling of the eye injury victim and the family  
Kuhn, F., Morris, R.  
- Principles in the management of the injured eye  
Kuhn, F.  
- Principles in the management of corneal & scleral trauma  
Kuhn, F.  
- Principles in the management of traumatic cataract  
Kuhn, F., Mester, V.  
- Principles in the management of IOFB trauma  
Kuhn, F., Morris, R., Mester, V.
1,042-1,049. European VitreoRetinal Society Training School (panel)
Bremen, Germany, May
•Informed consent: whose eye is it, anyway?
  Kuhn, F.
•The Birmingham Eye Trauma Terminology (BETT) system
  Kuhn, F., Morris, R., Witherspoon, C.D., Mester, V.
•Management of corneal and scleral injuries
  Kuhn, F., Hamill, B.
•The posterio-anterior vitrectomy technique
  Kuhn, F.
•Internal limiting membrane removal: indications and techniques
  Kuhn, F., Morris, R., Witherspoon, C.D., Mester, V.
•Management of eyes with perforating injuries: a new concept
  Kuhn, F.
•Primary vitrectomy for retinal detachment
  Kuhn, F., Morris, R., Witherspoon, C.D., Mester, V.
•Postoperative endophthalmitis
  Kuhn, F., Gini, G.

1,041. University of Alabama at Birmingham Annual Clinical and Research Symposium
Birmingham, Alabama, May
•Subsequent retinal tears following treatment of acute retinal tears

1,040. Annual Meeting, Eye Foundation Hospital
Birmingham, Alabama, May
•Secondary glaucoma after intravitreal triamcinolone acetate injection
  Kuhn, F., Szijarto, Zs, Kiss, Gy., Mester, V.

1,039. Annual Meeting, Association for Research in Vision and Ophthalmology
Fort Lauderdale, Florida, April
•Secondary glaucoma after intravitreal triamcinolone acetate injection
  Kuhn, F., Szijarto, Zs, Kiss, Gy., Mester, V.

1,038. Developments in Ophthalmology Symposium (panel)
Regensburg, Germany, April
•Postoperative endophthalmitis
  Kuhn, F., Gini, G.

1,037. PostOlympics Sports Trauma Conference (panel)
Turin, Italy, March
•Epidemiology of sports injuries
  Kuhn, F., Morris, R. Mann, L, Witherspoon, C.D.
1,035-1,036. *World Ophthalmology Congress (panel)*  
*Sao Paulo, Brazil, February*  
•Prevention of proliferative vitreoretinopathy development in eyes with serious injury  
  Kuhn, F., Schrader, W., Mester, V., Morris, R.  
•Management of eyes with posttraumatic expulsive choroidal hemorrhage  
  Kuhn, F., Morris, R. Mester, V.

1,034. *Annual Meeting, Greek Vitreoretinal Society*  
*Athens, Greece, January*  
•Postoperative endophthalmitis  
  Kuhn, F., Gini, G.

1,033. *Annual Meeting, Greek Vitreoretinal Society (teaching course)*  
*Athens, Greece, January*  
•Whose eye is it, anyway?  
  Kuhn, F.

2005

1,029-1,032. *Annual Meeting, Iranian Society of Ophthalmology*  
*Tehran, Iran, December*  
•Proliferative diabetic retinopathy with retinal detachment progression and 20/20 vision: What to do?  
  Kuhn, F.  
•Treatment of severe macular edema: Where are we today?  
  Kuhn, F.  
•Prevention of proliferative vitreoretinopathy in severe open globe injuries  
  Kuhn, F., Schrader, W., Morris, R., Mester, V.  
•Posttraumatic endophthalmitis  
  Kuhn, F., Gini, G.

1,027-1,028. *3rd Internation Conference on Innovations in Vitreous and Retinal Diseases (panel)*  
*Vienna, Austria, November*  
•Serious retinal injuries: initial results with a new concept  
  Kuhn, F., Schrader, W., Mester, V., Morris, R.  
•Postoperative endophthalmitis  
  Kuhn, F., Gini, G.
1,022-1,026. West Virginia University Eye Center
Morgantown, West Virginia, November
• A proactive approach to severe, proliferation-prone injuries
  Kuhn, F., Schrader, W., Morris, R., Mester, V.
• Intraocular foreign bodies
  Kuhn, F., Morris, R., Mester, V.
• Management of endophthalmitis
  Kuhn, F., Schrader, W., Morris, R., Mester, V.
• Controversies in the management of eye injuries
  Kuhn, F., Mieler, F.

1,016-1,021. University of Wisconsin
Madison, Wisconsin, November
• Management of eyes with corneal trauma
• Controversies in the management of eyes with serious trauma
• Treatment of primary rhegmatogenous retinal detachment
• Timing of intervention for the traumatized eye
• Counseling the eye trauma victim
• Treatment of traumatic endophthalmitis
  Kuhn, F., Morris, R., Mester, V.

1,014-1,015. Madison Society of Ophthalmology
Madison, Wisconsin, November
• Management of postoperative endophthalmitis
  Kuhn, F., Gini, G.
• Proactive treatment for eyes with injuries with high proliferative vitreoretinopathy rates
  Kuhn, F., Schrader, W., Morris, R., Mester, V.

1,013. Injury epidemiology course, University of Alabama at Birmingham
Birmingham, Alabama, October
• Epidemiology of eye injuries
  Kuhn, F.

1,008-1,012. Annual Meeting, American Academy of Ophthalmology
Chicago, Illinois, October
• Terminology of serious eye injuries
• Management of the eye with NLP vision
  Kuhn, F., Morris, R., Mester, V.
• Triamcinolone use in ophthalmology
  Kuhn, F.
• Traction maculopathies
• Management of the prephthisical eye
  Morris, R., Witherspoon, C.D., Kuhn, F.
1,006-1,007. Annual Meeting, American Academy of Ophthalmology (teaching courses)  
Chicago, Illinois, October  
• Intraocular foreign bodies: An update  
Kuhn, F., Dalma, J., Morris, R.  
• Controversies in ocular trauma management  
Mieler, W., Kuhn, F., Mittra, R.  

1,003-1,005. Xian and Shanghai Symposia  
Tong-Ren Hospital, China, October  
• Ocular trauma update  
• Retinal detachment prophylaxis  
• Macular diseases  

1,000-1,002. Annual Meeting, Ahmedabad Society of Ophthalmology  
Ahmedabad, India, September  
• Terminology of eye injuries  
• Management of intraocular foreign bodies  
• Prevention of proliferative vitreoretinopathy in severe eye injuries  
Kuhn, F., Slezak, Z.  

991-999. Joint Meeting, European and German Societies of Ophthalmology  
Berlin, Germany, September  
• 10-years after the Endophthalmitis-Vitrectomy-Study (EVS); where are we now?  
Kuhn, F., Gini, G.  
• Epidemiology and prevention of intraocular foreign body injuries  
• Posterior segment intraocular foreign bodies: surgical techniques  
• Terminology of ocular trauma  
Kuhn, F., Morris, R., Mester, V.  
• Closure of corneal wounds  
Kuhn, F.  
• Perforating injuries  
Kuhn, F., Schrader, W., Morris, R., Mester, V.  
• Vitrectomy with internal limiting membrane removal for significant macular edema  
Kuhn, F., Kiss, Gy., Szijarto, Zs., Mester, V., Kovacs, B.  
• Timing of internal reconstruction  
Kuhn, F.  
• Intraocular foreign body removal: Is intervention an emergency?  
Mester, V., Kuhn, F., Midwahi, Y.  

988-990. Joint Meeting, European and German Societies of Ophthalmology (teaching courses)  
Berlin, Germany, September  
• Intraocular foreign body injuries  
• Management of ocular trauma  
Schrader, W., Bartz-Schmidt, K.U., Kuhn, F.  
• Roundtable: Controversies in trauma surgery  
Bartz-Schmidt, K.U., Schrader, W., Kuhn, F.
987. Diabetes Management Symposium
Szekesfehervar, Hungary, September
•Surgery for diabetic maculopathy
Kuhn, F.

986. Annual Meeting, Alabama Academy of Ophthalmology
Montreal, Canada, July
•Vitrectomy and ILM removal in the treatment of macular edema
Kuhn, F., Kiss, Gy., Szijarto, Zs., Mester, V., Kovacs, B.

984-985. Southeastern Eye Meeting
San Destin, Florida, July
•The United States Eye Injury Registry
•Prevention of PVR in severe ocular trauma

979-983. Annual Meeting, American Society of Retina Specialists
Montreal, Canada, July
•Triamcinolone use in ophthalmology
Kuhn, F.
•Vitrectomy and ILM removal for macular edema
Kuhn, F., Kiss, Gy., Szijarto, Zs., Mester, V., Kovacs, B.
•The relationship between foveal thickness and critical print size in patients with idiopathic macular pucker
•A proactive treatment approach to eyes with severe injuries
•Indocyanine green dye-viscoelastic mixture for staining of the ILM during macular hole surgery

978. Annual Meeting, Italian Retina Society
Milan, Italy, June
•Vitrectomy for endophthalmitis
Gini, G., Kuhn, F.

971-977. Annual Meeting, European Society of VitreoRetinal Surgeons
Orebro, Sweden, June
•Vitrectomy for optic pit-related retinal detachment
•ILM removal indications and techniques
•Hemorrhagic macular cysts in Terson’s syndrome
Kuhn, F., Morris, R., Mester, V.
•The FILMS procedure for atraumatic ILM removal
Kuhn, F., Morris, R.
•Results and complications of vitrectomy and ILM removal in the treatment of macular edema
Kuhn, F., Kiss, Gy., Szijarto, Zs., Mester, V., Kovacs, B.
•Phacoemulsification on previously vitrectomized eyes for macular disease
Szijarto, Zs., Haszonits, A., Patzko, A., Kuhn, F., Kovacs, B.
•Clinical course and results of surgical treatment of epiretinal membranes
Mester, V., Kuhn, F.
966-970. Annual Meeting, Association for Research in Vision and Ophthalmology
Fort Lauderdale, Florida, May

• A proactive treatment approach to eyes with perforating, rupture, and deep-impact foreign body injuries
  Kuhn, F., Morris, R., Mester, V.

• Risk functions for the prediction of specific eye injuries using projectile data
  Kenedy, E.A., Duma, S.M., Ng, T.P., Stitzel, J.G., Kuhn, F.

• Pars plana vitrectomy (PPV), lensectomy (PPL), scleral-sutured intraocular lens (SSIOL) and indirect ophthalmoscopy laser cerclage (IDOLC) prophylaxis for subluxed lens in marfan syndrome patients

• Comparing the MNREAD continuous text reading score with snellen acuity in assessing visual impairment in patients undergoing macular pucker surgery

• Resolution of vitreomacular traction and cystoid macular edema by intravitreal injection of triamcinolone

956-965. European VitreoRetinal Society Training School (panel)
Bremen, Germany, May

• Informed consent: whose eye is it, anyway?
  Kuhn, F.

• Vitrectomy: the basics
  Kuhn, F.

• The Birmingham Eye Trauma Terminology (BETT) system
  Kuhn, F., Morris, R., Witherspoon, C.D., Mester, V.

• Management of corneal and scleral injuries
  Kuhn, F., Hamill, B.

• Management of patients with hyphema
  Kuhn, F.

• Counseling the patient with serious eye injury
  Kuhn, F., Morris, R., Witherspoon, C.D., Mester, V.

• The posterio-anterior vitrectomy technique
  Kuhn, F.

• Internal limiting membrane removal: indications and techniques
  Kuhn, F., Morris, R., Witherspoon, C.D., Mester, V.

• Management of eyes with perforating injuries: a new concept
  Kuhn, F.

• Primary vitrectomy for retinal detachment
  Kuhn, F., Morris, R., Witherspoon, C.D., Mester, V.
951-955. *Bausch and Lomb Scientific Meeting*
*Kiev, Ukraine, April*
- TSV-25: a new approach to vitrectomy
  Kuhn, F.
- Surgery on the macular surface
- Intraocular foreign body management
- Vitrectomy for primary retinal detachment
  Kuhn, F., Morris, R., Mester, V.
- Vitrectomy for endophthalmitis
  Kuhn, F., Gini, G.

934-950. *Annual Meeting, Ophthalmological Society of Saudi Arabia*
*Riyadh, Saudi Arabia, March*
- The Birmingham Eye Trauma Terminology system
- Epidemiology of serious eye injuries
- Counseling the ocular trauma patient
- The Ocular Trauma Score
- Strategic thinking in the management of patients with serious ocular trauma
- Evaluation of the patient with eye injury
- Anesthesia for patients with ocular trauma
- Open globe injuries: management principles
- Tissue prolapse and its management
- Closure of corneal and scleral wounds
- Management of eyes with traumatic anterior chamber pathology
- Iris injuries and their treatment
- Lens trauma management: pearls and pitfalls
- Treatment of eyes with traumatic vitreous hemorrhage
- Management of retinal trauma
- Management pearls in the management of eyes with IOFB injury
- New treatment approach to perforating, rupture, and deep-impact IOFB injuries

931-933. *Annual Meeting, Ophthalmological Society of Saudi Arabia (teaching courses)*
*Riyadh, Saudi Arabia, March*
- Controversies in the management of eye injuries
- Suturing corneal and scleral wounds
- Surgery on the macular surface
  Kuhn, F., Mester, V., Morris, R.

930. *Annual Meeting, Ophthalmological Society of South Africa*
*Cape Town, South Africa, March*
- Internal limiting membrane removal for severe macular edema
  Kuhn, F., Mester, V., Kiss, Gy., Szijarto, Zs., Morris, R.
927-929. *Annual Meeting, Ophthalmological Society of South Africa (teaching courses)*
*Cape Town, South Africa, March*
• Suturing corneal and scleral wounds
• Management of eyes with perforating injuries
• Intraocular foreign bodies: Current concepts

2003

844-845. Annual Meeting, American Academy of Ophthalmology
Anaheim, California, November
• Fluidic internal limiting membrane separation in macular hole and macular pucker
  Witherspoon, C.D., Morris, R., Kuhn, F.
• The current role of vitrectomy for diabetic macular edema
  MacCumber, M.W., Kuhn, F., Packo, K.

842-843. Annual Meeting, American Academy of Ophthalmology (teaching courses)
Anaheim, California, November
• Current cocepts in the management of eyes with posterior segment intraocular foreign bodies
  Kuhn, F., Morris, R., Dalma, J
• Management of eyes with anterior segment trauma
  Kuhn, F., Hamill, B., Pieramici, D.

840-841. Minisymposium (panel)
University of Pécs, Hungary, November
• Treatment of eyes with diabetic macular edema
  Kuhn, F., Kiss, Gy., Szijarto, Zs., Mester, V., Kovacs, B.
• Management of eyes with posoperative endophthalmitis
  Kuhn, F.

839. Andor Miklos Memory Lectures
Szombathely, Hungary, November
• Reconstruction of a severely injured eye
  Kovacs M., Kuhn, F.

838. Appulia Ophthalmology Update
Bari, Italy, October
• Posttraumatic retinal detachment
  Kuhn, F.

836-837. Minisymposium: New developments in vitreoretinal surgery; actual vitreoretinal problems; ocular trauma
Bratislava, Slovakia, September
• The posterior-anterior vitrectomy technique
  Kuhn, F., Mester, V., Morris, R.
• Internal limiting membrane removal for clinically significant macular edema
  Kuhn, F., Kiss, Gy., Szijarto, Zs., Mester, V., Kovacs, B.
831-835. Pole to pole surgery
Ravenna, Italy, September
• Management of tissue prolapse in eyes with open globe injury
  Kuhn, F.
• Management of eyes with hyphema
  Kuhn, F., Morris, R., Mester, V.
• Internal limiting membrane removal indications and techniques
  Kuhn, F., Morris, R., Mester, V.
• Iris trauma: treatment concepts
  Kuhn, F., Kirchhof, B.
• Reconstruction of eyes with anterior and posterior segment trauma
  Kuhn, F.

821-830. Joint Meeting, European VitreoRetinal Society and the Internationa Society of Ocular Trauma (panel)
Sopron, Hungary, September
• The classification of proliferative vitreoretinopathy
  Kuhn, F.
• Temporary keratoprosthesis vitrectomy
  Witherspoon, C. D., Morris, R., Kuhn, F., Phillips, R.
• Management of the opaque media eye with no light perception vision
  Morris, R., Kuhn, F., Witherspoon, C. D.
• The Ocular Trauma Score
  Morris, R., Kuhn, F., Witherspoon, C. D., Mann, L., Mester, V.
• Intraretinal copper foreign body
  Szijarto, Zs., Kuhn, F.
• The United States Eye Injury Registry and the World Eye Injury Registry
  Kuhn, F., Morris, R., Mann, L.

• Internal limiting membrane maculorhexis in vitrectomy for traction maculopathy
Morris, R., Kuhn, F., Taylor, W.
390-394. *International Ocular Trauma Course*  
*Monterrey, Mexico, August*  
• Epidemiology of serious eye injuries: A world perspective  
  Kuhn, F., Mester, V.  
• Prevention of ocular trauma at the workplace and in sports  
  Kuhn, F., Mester, V.  
• Terminology and classification of eye injuries  
  Kuhn, F., Morris, R., Mester, V., Witherspoon, C.D.  
• New concepts in the management of intraocular foreign bodies  
  Kuhn, F.  
• Management of subretinal and suprachoroidal hemorrhages  
  Kuhn, F., Mester, V., Morris, R.  

389. *Alabama Academy of Ophthalmology Annual Meeting*  
*Point Clear, Alabama, July*  
• Development of an Ocular Trauma Score  
  Kuhn, F.  

388. *Centers for Disease Control and Prevention, Biannual Workshop*  
*San Francisco, California, July*  
• Development of an Ocular Trauma Score  
  Kuhn, F.  

386-387. *Shanghai Trauma Conference (panel)*  
*Shanghai, China, June*  
• Terminology of mechanical eye injuries: BETT  
• Epidemiology of serious eye injuries  
  Dooner, J., Kuhn, F.  

385. *Epidemiology of Injuries course, University of Alabama at Birmingham*  
*Birmingham, Alabama, May*  
• Ocular injuries: epidemiology and management  
  Kuhn, F.
375-384. XIth Biannual Meeting, European Society of Ophthalmology
Budapest, Hungary, May
• Terson’s syndrome: long–term prognosis and implications
• Intraocular foreign bodies: Myths and truths
• The Ocular Trauma Score
• Update on ocular terminology: BETT
• Vitrectomy in the management of intraocular foreign bodies
Kuhn, F., Morris, R.
• Epidemiology of serious eye injuries: The Hungarian Eye Injury Registry and the United States Eye Injury Registry
Mester, V., Kuhn, F.
• Internal limiting membrane maculorhexis in vitrectomy for traction maculopathy
• Surgical management of endophthalmitis
• Temporary keratoprosthesis vitrectomy
• Management of retinal detachment associated with optic pits
Morris, R., Kuhn, F.

373-374. XIth Biannual Meeting, European Society of Ophthalmology (teaching courses)
Budapest, Hungary, May
• Controversies in the management of eye injuries
Kuhn, F., Treister, G.
• Ocular trauma
Treister, G., Kuhn, F.

370-372. Hungarian Intraocular Lens Society
Seregelyes, Hungary, May
• Surgical management of the intravitreally luxated intraocular lens
Mester, V., Kovacs, B., Kuhn, F.
• Management of the traumatic cataract
Mester, V., Kovacs, B., Kuhn, F.
• Management of the dropped nucleus
Mester, V., Kovacs, B., Kuhn, F.

369. Cleveland Society of Ophthalmology Annual Meeting
Cleveland, Ohio, May
• The Birmingham Eye Trauma Terminology System
Kuhn, F., Zakov, N.

368. Alabama College of Surgeons Annual Meeting
Perdido Beach, Alabama, May
• Saving severely injured eyes despite no light perception initial vision
Morris, R., Kuhn, F., Taylor, W., Witherspoon, C.D.
364-367. Annual Meeting, Association for Research in Vision and Ophthalmology
Fort Lauderdale, Florida, May
• Visual problems and pathological findings among football players: an epidemiological study
  Witherspoon, C.D., Kuhn, F., Priester, L., Armstrong, M. Morris, R.
• The ocular trauma score (OTS): developmental considerations and preliminary findings
  Kuhn, F., Maisiak, R., Morris, R., Witherspoon, C.D., Mester, V.
• Eye injuries in the elderly
  Pakalnis, V.A., Kuhn, F., Morris, R., Brown, S.
• A penetrating ocular trauma scoring system
  Mieler, W.F., Pieramici, D.J., Aaberg, T.M., Capone, A., de Juan, E., Kuhn, F., Meredith, T.,
  Olsen, T., Rubsamen, P.E., Sternberg, P., Stout, T.

363. Annual Meeting, Alabama Athletic Association (panel)
Gulf Shores, Alabama, May
• The eye: what you don’t see
  Armstrong, M., Priester, L., Kuhn, F., Witherspoon, C.D., Morris, R.

362. Southern Retina Study Group
Houston, Texas, April
• Epidemiology of serious eye injuries: The U.S. Eye Injury Registry
  May, D., Kuhn, F., Morris, R., Witherspoon, C.D.

354-361. 4th Symposium, International Society of Ocular Trauma
Bombay, India, February
• Management principles in ocular trauma
• The Ocular Trauma Score
• Update on ocular terminology: BETT
  Kuhn, F., Morris, R.
• Epidemiology of eye injuries
  Kuhn, F., Mester, V., Morris, R.
• Management of eyes with no light perception vision
• Trauma to the postsurgical eye
• Bacillus endophthalmitis
• Fireworks-related eye injuries
  Taylor, W., Kuhn, F., Morris, R.

352-353. 4th Symposium, International Society of Ocular Trauma (teaching courses)
Bombay, India, February
• Management of intraocular foreign bodies
  Kuhn, F., Morris, R.
• Temporary keratoprosthesis vitrectomy
  Morris, R., Kuhn, F.
350-351. Annual Meeting, Vitreoretinal Society of India (panel)
Bombay, India, February
•Spontaneous hydraulic ILM removal in Terson’s syndrome: long-term prognosis and implications
  Kuhn, F., Morris, R.
•ILM maculorhexis in vitrectomy for traction maculopathy
  Taylor, W., Kuhn, F., Morris, R.

349. Public Health Meeting: Preservation of sight (panel)
Bombay, India, February
•The history of ocular trauma management
  Kuhn, F., Mester, V.

347-348. 55th Annual Meeting, All-India Society of Ophthalmology (panel)
Delhi, India, February
•Vitrectomy management of intraocular foreign bodies
  Kuhn, F., Mester, V.
•Expulsive choroidal hemorrhage: prevention and management
  Kuhn, F., Morris, R.

346. HealthSouth Medical Center, Grand Rounds
Birmingham, Alabama, January
•The significance of vitreous surgery in trauma
  Kuhn, F.

1996

345. Seminar, Injury Research Control Center, University of Alabama at Birmingham
Birmingham, Alabama, December
•Development of an Ocular Trauma Score
  Kuhn, F.

344. Annual Meeting, Vitreous Society
Cancun, Mexico, December
•Preventive and therapeutic vitrectomy for Bacillus endophthalmitis
  Taylor, W., Kaiser, G., Kuhn, F., Morris, R.

342-343. A Tribute to Dr. Relja Zivojnovic
Antwerp, Belgium, November
•The Birmingham Eye Trauma Terminology system
  Kuhn, F., Morris, R.
•Management of eyes with no light perception vision
  Morris, R., Kuhn, F.
340-341. *New approaches in the diagnosis and therapy of macular diseases, University Eye Hospital Leipzig, Germany, November*

• Spontaneous hydraulic ILM removal in Terson’s syndrome: long–term prognosis and implications
  Kuhn, F., Morris, R.
• ILM maculorhexis in vitrectomy for traction maculopathy
  Morris, R., Kuhn, F.

337-339. *Helsinki Central University Hospital, Intensive Trauma Course Helsinki, Finland, October*

• Classification of ocular trauma
• Epidemiology of eye injuries
• Management of intraocular foreign bodies
  Kuhn, F.

• Terminology of eye injuries
  May, D., Kuhn, F.
• The United States Eye Injury Registry
  May, D., Kuhn, F., Witherspoon, C.D., Morris, R.
• The tragedy of missiles
  Witherspoon, C.D., Kuhn, F.
