alaska cruises & cruisetours

Princess® takes more people to the Great Land than any other cruise line, with every cruise offering a unique glacier viewing experience. And for the 2020 season, Princess has new itineraries and Pacific Princess® returns to Alaska sailing our popular Voyage of the Glaciers itinerary. Journey to the majestic wilderness with Princess and discover why we've been awarded "Best Cruise Line in Alaska" for 12 consecutive years by *Travel Weekly*.

Voyage of the Glaciers: This top-rated Princess 7-day itinerary is the premier way to see some of the state's most celebrated ports, as well as enjoy two epic glacier-viewing experiences at Glacier Bay National Park and Hubbard Glacier or College Fjord. Visit the Gold Rush-era towns of Juneau, Skagway, Icy Strait Point and Ketchikan for a taste of the history and culture.

North to Alaska: Learn the story of Alaska through the people who know it best. Our award-winning North to Alaska program brings local lumberjacks, Iditarod champions and storytellers on board your ship to lend their insights. Immerse yourself further by meeting sled-dog puppies in the Piazza, sampling Alaska's seafood and by having a fish you caught by morning served to your table by night with Cook My Catch.

Inside Passage: Princess is the only cruise line offering roundtrip departures from Los Angeles (14 days) and San Francisco (10 days) that journey through Alaska's Inside Passage with a day of glacier viewing and at least three ports of call. We also offer 7-day roundtrip sailings from Seattle and Vancouver, B.C.

Cruisetours: With dozens of options ranging from 10 to 17 nights, an Alaska cruisetour delivers the best of land and sea in one spectacular package. You'll bask in nature at the doorstep of legendary national parks while staying in Princess-owned wilderness lodges. And only Princess offers Direct-to-the-Wilderness® rail service that takes you from your ship to the Denali area in the same day, for more time exploring and less time in transit. From deluxe escorted tours to tours where you can explore on your own, the possibilities for discovery are endless.
