Functional Movement Systems

GET MOVING RIGHT NOW!

YOU DON'T HAVE TO BE AN ATHLETE TO SUFFER THE ACHES AND PAINS of age and activity, so turn back the clock on wear and tear with the Functional Movement Screen today. It...

- Tests seven basic movement patterns,
- Takes less than ten minutes,
- Identifies weaknesses & asymmetries that increase chances of injury,
- Provides FMS experts with the information they need to customize workouts that strengthen you,
- Tracks your progress, and
- *Gets you moving right!*

THE FUNCTIONAL MOVEMENT SCREEN IS GOOD FOR YOUR BOTTOM LINE both on the field and in business. It's been shown to reduce both risk factors for injuries and costs associated with injuries when they happen.

THAT'S WHY HIGHLY TRAINED TEAMS from the Navy Seals to the New York Giants are using the FMS.

The Functional Movement Screen is used throughout the world in every major sport and by more than 50 U.S. pro and college teams -- just to name a few. There are also the Super Bowl-winning New York Giants, the Indianapolis Colts, the Cleveland Indians...
