FEATURING

EL BARRO

single-batch clay-distilled mezcal

FOR YOUR WELL: a single 30-liter batch of artisan espadín mezcal (5 cases of six 1-liter bottles), the entirety of a second distillation in a small single clay potstill, with your bar/resturant's name and the batch date/number on a strip label.

This can be a one-time or ongoing program Contact your distributor or email Ansley Coale of Craft Distillers:

Read Spear of **Cuentacuentos** got tired of lousy mezcal cocktails.

Read worked with Carlos Mendez to create a dedicated distillery in Santiago Matatlan, the epicenter of Oaxacan mezcal production. Mezcalero Ricardo Ruiz of Sola de Vega, using artisan methods, distills the first run on a traditional copper potstill, then **distills the ordinario in small clay potstills.**
