

MEMBER PROFILE

The Markdale Golf & Curling Club was established as a curling club in 1922 and added a nine-hole golf course in 1964. The Club has since helped fill the need for recreational and cultural activities for many diverse demographic and socio-economic groups in Markdale and Grey County. In doing so, it has provided a great social, healthy, and inclusive environment for all to meet. Today the Club is run by a nine-member Board of Directors.

The curling portion of the Club provides several leagues: junior, youth, high school, senior men & women recreational, mixed recreational, mixed competitive, and a community (Probus) group. The golf course also runs leagues for both men and women (including senior leagues).

Because many of the golf and curling members also sit on other charitable organizations, they often approach the Club for a place to run an event. On many occasions, the Club adjusts rental rates downward to assist in these local fundraising community group events. (e.g., the Hospital Foundation). The curling rink is regularly rented to individuals, families, nearby businesses, and community groups who wish to run their own special curling/fundraising events.

The Club has hosted numerous charity and company tournaments during the golf season, again with pricing adjusted for local charity fundraising. The lounge area and local caterer are used by other charity groups for meetings, annual dinners, and fundraising dinners through the entire year. During the summer months, the ice surface area has hosted local community events such as barbecues, dances, and weddings. The Club

itself regularly provides donations of free golf rounds to be auctioned off at events at the Club and at other clubs' charitable events.

Although primarily set up for golf and curling, the Club also has tennis courts, and has hosted auctions, dances, and car shows over the years. This venue is not to be forgotten.
