Dear Spiritual Leader,

As a not-for-profit, community-based organization in end of life care, Ohio’s Hospice at United Church Homes is providing hospice services in your United Church communities. Trinity Communities of Greater Dayton are located in Beavercreek, Fairborn, and Miami Township. We are inviting your church members to join us in our effort to serve our patients.

Our mission is to celebrate the lives of those we have the privilege of serving by providing superior care and superior services to each patient and family. In order to provide the best possible care to our patients and families we depend on volunteers.

We are looking for individuals who have extra time on their hands and room in their hearts to provide service to people at the end of their life by becoming a volunteer. We would greatly appreciate if you would share this information with your congregation.

Here are some ways to volunteer:
• visit with patients and families during the patient’s stay at a facility.
• make/sew neck pillows, pillows of various sizes for support, a memory bear from an article of clothing, and activity mats used by patients with dementia.
• honor a patient who is a veteran by thanking them for their service and presenting a pin of recognition.
• bake cakes or cookies to celebrate a patient’s birthday or anniversary.

Please reach out to me with any questions you may have and to discuss the requirements to become a volunteer. I look forward to hearing from you.

Sincerely,

Ashley Faun
