In the midst of COVID we are experiencing church anew! The Digital church is here to stay whether we go back to in person worship or not. Digital Church challenges us to examine our definitions of membership, giving, pastoral care, visitation, worship, congregational life and more.

LEADER: THE REV. CAMERON TRIMBLE is an ordained Minister of the UCC and a serial entrepreneur committed to the triple bottom line – a concern for people, profit and the planet. She is co-founder and CEO of Convergence, an international church consultancy. She serves as a senior consultant, a speaker, a pilot and an author. Cameron is particularly focused on human transformation and leadership. Her coaching clients are primarily executive leaders going through dynamic culture transformations. Diversity, she believes, is the source of lasting innovation and the driver of fair profit. Her most recent book is "[Piloting Church: Helping Your Congregation Take Flight.](#)"
