Theme: Our Journey

The journey on which you go is under the eye of the Lord. (Judges 18:6b, NRSV)

Our journey is part of the larger story of the faith. The Lord is with us and has an eye upon us. The Lord was with this covenanted association of churches years ago when it journeyed into existence. The Lord will be with us the years to come as we journey together in covenant. Most importantly, the Lord has an eye upon us today as we take important and faithful steps in our journey together.
