Invitation to Participate in Study of Retired UCC Clergy Women

If you are a retired UCC clergy woman, you are invited to lend your wisdom to a study of retired UCC clergy women being conducted by Rev. Dr. Suzanne Adele Schmidt, a retired UCC clergy woman. This project was awarded a 2020 Louisville Institute Pastoral Study Grant.

If you are inspired to add your voice to this study, you may do so in one of the two following ways:

- 1) By completing an online survey. This will require about 40 minutes of your time.
- 2) By participating in a two-hour reflection group (to be conducted by zoom).

To learn more about the study and register for the survey or a reflection group, please visit the study website at <https://www.softlandingsinretirement.com/>.

Reflection groups are being conducted in November. It is anticipated that the survey will be available throughout November.

The final product will be a resource for retired UCC clergy women and will be available at the study website free of charge in 2021.
