(1) SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every twenty (20) issued Existing Shares be consolidated into one (1) Consolidated Share.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the fulfillment of the following conditions:

- (i) the passing of the ordinary resolution by the Shareholders to approve the Share Consolidation at the EGM;
- (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares; and
- (iii) the compliance with the relevant procedures and requirements under the Cayman Islands laws (where applicable) and the Listing Rules to effect the Share Consolidation.

Listing application

An application will be made by the Company to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective.

Subject to the granting of listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange upon the Share Consolidation becoming effective, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becoming effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Reason for the Share Consolidation

Pursuant to rule 13.64 of the Listing Rules, where the market price of the securities of the issuer approaches the extremities of HK\$0.01 or HK\$9,995, the Stock Exchange reserves the right to require the issuer either to change the trading method or to proceed with a consolidation or splitting of its securities. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 30 August 2019 has further stated that (i) market price of the shares at a level less than HK\$0.1 each will be considered as trading at extremity as referred to under rule 13.64 of the Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

The share price of the Company has been constantly below HK\$0.1 and the existing board lot value has been less than HK\$2,000. It is expected that the Share Consolidation will increase the nominal value of the Shares and would bring about a corresponding upward adjustment in the trading price per Consolidated Share. As at the date of this announcement, the share price of the Company was HK\$0.01, with a board lot size of 4,000, the existing board lot value was only HK\$40, which was less than HK\$2,000. Upon the Share Consolidation becoming effective, the share price of the Company would be adjusted to HK\$0.2, with a board lot size of 4,000, the new board lot value would only be HK\$800, which would still be less than HK\$2,000. By increasing the board lot size from 4,000 to 20,000, the new board lot value would be HK\$4,000, which would be more than the required HK\$2,000. As such, the proposed combination of the Share Consolidation and the change in board lot size would enable the Company to comply with the trading requirements under the Listing Rules. Thus, the Board considers that, despite such Share Consolidation and change in board lot size arrangement would lead to odd lots, they would maintain the trading amount for each board lot at a reasonable level in order to attract more investors and to extend the shareholder base of the Company.

Further, the Share Consolidation would reduce the overall transaction and handling costs of dealings in the shares of the Company as a proportion of the market value of each board lot, since most of the banks/securities houses will charge a minimum transaction costs for each securities trade. It is hoped that this will make investing in the Shares more attractive to a broader range of investors, in particular to institutional investors whose house rules might otherwise prohibit or restrict trading in securities that are priced below a prescribed floor, and thus help to further broaden the shareholder base of the Company. Accordingly, the Board is of the view that the Share Consolidation is beneficial to the Company and the Shareholders as a whole.

As at the date of this announcement, save as disclosed in this announcement, the Company currently (i) does not have any agreement, arrangement, understanding, intention, or negotiation (either concluded or in process) on any potential fundraising activities which will involve issue of equity securities of the Company; and (ii) has no other plan or intention to carry out any future corporate actions in the next twelve months which may have an effect of undermining or negating the intended purpose of the Share Consolidation. The Board is of the view that, having considered the corporate plan of the Company for the next twelve months, the proposed Share Consolidation and change in board lot size are fair and reasonable, and in the interest of the Company and the Shareholders as a whole. However, in the event there is any change to the business environment and/or financial position of the Company due to unforeseeable circumstances, and the Company is required to conduct further fund raising exercises when suitable opportunities arise in order to support future development of the Group, the Company will publish further announcement(s) in compliance with the Listing Rules, as and when appropriate.

Fractional entitlement to Consolidated Shares

Fractional Consolidated Shares will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Shares regardless of the number of share certificates held by such holder.

Shareholders concerned about losing out on any fractional entitlement are recommended to consult their licensed securities dealer, bank manager, solicitor, professional accountant or other professional adviser and may wish to consider the possibility of buying or selling Shares in a number sufficient to make up an entitlement to receive a whole number of Consolidated Shares.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company amounted to HK\$250,000,000 divided into 249,480,000,000 ordinary Shares of HK\$0.001 each and 520,000,000 preference Shares of HK\$0.001 each, of which 12,604,291,446 ordinary Shares had been allotted and issued as fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective and on the basis that no further Existing Shares will be allotted, issued or repurchased prior thereto, the authorised share capital of the Company will become HK\$250,000,000 divided into 12,474,000,000 ordinary Shares of HK\$0.02 each and 26,000,000 preference Shares of HK\$0.02 each, of which 630,214,572 Consolidated Shares will be in issue, which are fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective, the Consolidated Shares will rank *pari passu* in all respects with each other in accordance with the Company's articles of association. No fractional Consolidated Shares will be issued by the Company. Any fractional entitlements of the Consolidated Shares will be aggregated and sold for the benefits of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the shares of the Company regardless of the number of share certificates held by such holder.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Group or the interests or rights of the Shareholders, save for any fractional Consolidated Shares to which the Shareholders may be entitled.

Adjustments in relation to other securities of the Company

As at the date of this announcement, there are outstanding share options for subscription of 2,282,000,000 Existing Shares under the Share Option Scheme. Pursuant to the terms of the Share Option Scheme, the exercise prices of the Share Options will be adjusted in accordance with the Share Option Scheme upon the Rights Issue becoming unconditional. The Company in accordance with the Share Option Scheme will notify the holders of the Share Options the required adjustment(s) as soon as practicable and details of adjustments will be set out in the Prospectus in respect of the Rights Issue to be despatched to the Shareholders.

Save as disclosed above, as at the date of this announcement, the Company has no other outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots of the Consolidated Shares arising from the Share Consolidation, the Company will appoint Central Wealth Securities Investment Limited to provide a matching service, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Holders of the Shares in odd lots represented by valid share certificates for the Shares who wish to take advantage of this facility either to dispose of their odd lots of the Shares or to top up their odd lots to a full new board lot, may directly or through their brokers, contact Miss Fannie Chan of Central Wealth Securities Investment Limited at (852) 3958 4625 or by facsimile at (852) 3958 4666 during the period from 17 July 2020 to 6 August 2020 (both days inclusive).

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed.

Exchange of share certificates

Subject to the Share Consolidation becoming effective, the Shareholders may during the period from Friday, 3 July 2020 to Monday, 10 August 2020 (both days inclusive) submit existing share certificates in the colour of blue for the Existing Shares to the Registrar, at Shops 1712-1716, 17/F, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong, for exchange for new share certificates in the colour of red for the Consolidated Shares at the expense of the Company.

Thereafter, share certificates of the Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever is higher.

After 4:00 p.m. on Monday, 10 August 2020, existing share certificates for the Existing Shares will only remain effective as documents of title and may be exchanged for share certificates for Consolidated Shares at any time but will not be accepted for delivery, trading and settlement purposes.

Closure of register of members

The register of members of the Company will be closed from Tuesday, 23 June 2020 to Tuesday, 30 June 2020 (both days inclusive) for determining the identity of the Shareholders entitled to attend and vote at the EGM. No transfer of Shares will be registered during the above book closure period.

Shareholders and potential investors should note that the Share Consolidation is conditional upon satisfaction of the conditions as set out in the paragraph headed "Conditions of the Share Consolidation" above. Accordingly, the Share Consolidation may or may not proceed.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company. If they are in any doubt, they should consult their professional advisers.

(2) PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lot size of 4,000 Existing Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 4,000 Existing Shares to 20,000 Consolidated Shares conditional upon the Share Consolidation becoming effective.

Based on the closing price of HK\$0.01 per Existing Share (equivalent to the theoretical closing price of HK\$0.2 per Consolidated Share) as at the date of this announcement, (i) the value of each existing board lot of Existing Shares is HK\$40; (ii) the value of each board lot of 4,000 Consolidated Shares would be HK\$800 assuming the Share Consolidation becoming effective; and (iii) the estimated value per board lot of 20,000 Consolidated Shares would be HK\$4,000 assuming that the change in board lot size had also been effective.

Status of the Rights Shares

The Rights Shares (when allotted, issued and fully paid) will rank *pari passu* in all respects with the Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions, which may be declared, made or paid, the record date of which is after the date of allotment and issue of the Rights Shares in their fully-paid form.

The Company will despatch the Prospectus Documents to the Qualifying Shareholders on the Prospectus Posting Date.

Application for all or any part of a Qualifying Shareholder’s provisional allotment should be made by completing the PAL and lodging the same with a cheque or banker’s cashier order for the Rights Shares being applied for with the Registrar at Shops 1712-1716, 17/F, Hopewell Centre, 183 Queen’s Road East, Wan Chai, Hong Kong on or before 4:00 p.m. on the Latest Acceptance Date.

The Qualifying Shareholders who take up their pro-rata entitlement in full will not experience any dilution to their interests in the Company (except in relation to any dilution resulting from the taking up by third parties of any Rights Shares arising from the aggregation of fractional entitlements). **If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.**

Basis of provisional allotments

The basis of the provisional allotment shall be one (1) Rights Share (in nil-paid form) for every two (2) Consolidated Shares held by the Qualifying Shareholders as at the close of business on the Record Date.

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by duly completing a PAL and lodging the same with a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before the Latest Time for Acceptance.

Non-Qualifying Shareholders

The Prospectus Documents will not be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong. The Company will send copies of the Overseas Letter and the Prospectus to the Non-Qualifying Shareholders for their information only, but will not send the PAL to them. Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

The Board will make enquiry regarding the legal restrictions under the laws of the relevant overseas place(s) and the requirements of the relevant regulatory body or stock exchange pursuant to Rule 13.36(2)(a) of the Listing Rules. If, after making such enquiry and based on legal opinion provided by the legal advisers to the Company, the Board is of the opinion that it would be necessary or expedient not to offer the Rights Shares to any Overseas Shareholders on account either of the legal restrictions under the laws of the relevant place(s) or the requirements of the relevant regulatory body or stock exchange in the relevant place(s), no offer of the Rights Shares will be made to such Overseas Shareholders. Accordingly, the Rights Issue will not be extended to the Non-Qualifying Shareholders.

As at the date of this announcement, there is no Overseas Shareholder.

The Non-Qualifying Shareholders (which are excluded from the Rights Issue) would not have any entitlement under the Rights Issue. Such Rights Shares will form part of the Unsubscribed Rights Shares and if possible be placed by the Placing Agent under the Unsubscribed Arrangement to independent placees, and if not successfully placed out, will become Unsold Rights Shares and be dealt with in accordance with the terms of the Underwriting Agreement. Please refer to the paragraph headed “Procedures in respect of the Unsubscribed Rights Shares and the Unsubscribed Arrangement” below for the treatment of Unsubscribed Rights Shares under the Unsubscribed Arrangement and the section headed “Underwriting Agreement” below for the treatment of Unsold Rights Shares under the Underwriting Agreement.

The Company reserves the right to treat as invalid any acceptance of or applications for Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders should exercise caution when dealing in the Shares.

Fractions of the Rights Shares

The Company will not provisionally allot fractions of Rights Shares. All fractions of Rights Shares will be aggregated, rounded down to the nearest whole number and will be disposed by the Company in the open market if a premium (net of expenses) can be obtained.

Odd lots matching services

In order to facilitate the trading of odd lots of the Rights Shares arising from the Rights Issue, a designated broker, Central Wealth Securities Investment Limited, has been appointed by the Company to match the purchase and sale of odd lots of the Shares at the relevant market price per Share.

Holders of the Shares in odd lots represented by valid share certificates for the Shares who wish to take advantage of this facility either to dispose of their odd lots of the Shares or to top up their odd lots to a full new board lot, may directly or through their brokers, contact Miss Chan Yi Sum of Central Wealth Securities Investment Limited at (852) 3958 4625 or by facsimile at (852) 3958 4666. Holders of odd lots of Shares should note that successful matching of the sale and purchase of odd lots of Shares is on a best effort basis and not guaranteed. Any Shareholder who is in any doubt about the odd lot arrangement is recommended to consult his/her/its own professional advisers.

Procedures in respect of the Unsubscribed Rights Shares and the Unsubscribed Arrangement

Pursuant to rule 7.21(1)(b) of the Listing Rules, the Company in the Rights Issue must make compensatory arrangement to dispose Unsubscribed Rights Shares by offering the Unsubscribed Rights Shares to independent placees for the benefit of the No Action Shareholders to whom they were offered by way of the Rights Issue. There will be no excess application arrangements in relation to the Rights Issue as stipulated by rule 7.21(2)(a) of the Listing Rules.

Pursuant to the Placing Agreement, the Company has appointed the Placing Agent to place the Unsubscribed Rights Shares during the Placing Period to independent placees on a best effort basis, and any premium over the Subscription Price for those Rights Shares that is realised will be paid to those No Action Shareholders on a pro-rata basis. The Placing Agent will, on a best effort basis, procure, by not later than 4:00 p.m. on 10 August 2020, acquirers for all (or as many as possible) of those Unsubscribed Rights Shares. Any unsold Unsubscribed Rights Shares will form the Unsold Rights Shares and will be dealt with in accordance with the terms of the Underwriting Agreement. Please refer to the section headed “Underwriting Agreement” for the treatment of Unsold Rights Shares.

Net Gain (if any) will be paid (without interest) to the No Action Shareholders as set out below on pro rata basis (but rounded down to the nearest cent):

- A. the relevant Qualifying Shareholders (or such persons who hold any nil-paid rights at the time such nil-paid rights are lapsed) whose nil-paid rights are not validly applied for in full, by reference to the extent that Shares in his/her/its nil-paid rights are not validly applied for; and

- B. the relevant Non-Qualifying Shareholders with reference to their shareholdings in the Company on the Record Date.

If and to the extent in respect of any Net Gain, any No Action Shareholders become entitled on the basis described above to an amount of HK\$100 or more, such amount will be paid to the relevant No Action Shareholder(s) in Hong Kong Dollars only and the Company will retain individual amounts of less than HK\$100 for its own benefit.

Placing Agreement for the Unsubscribed Rights Shares

Details of the Placing Agreement are summarised as follows:

- Date: 22 May 2020
- Issuer: The Company
- Placing Agent: Po Tai Securities (Hong Kong) Limited was appointed as the Placing Agent to procure, on a best effort basis, placees to subscribe for the Unsubscribed Rights Shares during the Placing Period.
- Placing Period: The period commencing from the sixth Business Day after the Latest time for acceptance and ending on 4:00 p.m. on the eighth Business Day after the Latest time for acceptance
- Commission and expenses: Subject to completion of the Placing, the Company shall pay to the Placing Agent a placing commission in Hong Kong dollars, of 3.5% of the amount which is equal to the Subscription Price multiplied by the number of Unsubscribed Rights Shares that have been successfully placed by the Placing Agent pursuant to the terms of the Placing Agreement.

Placing price of the Unsubscribed Rights Shares:	The placing price of the Unsubscribed Rights Shares shall be not less than the Subscription Price and the final price determination will be depended on the demand for and the market conditions of the Unsubscribed Rights Shares during the process of placement.
Placees:	<p>The Unsubscribed Rights Shares are expected to be placed to placee(s), who and whose ultimate beneficial owner(s) shall be the Independent Third Party(ies).</p> <p>For the avoidance of doubt, no placee shall become a substantial shareholder of the Company.</p>
Ranking of Unsubscribed Rights Shares:	Unsubscribed Rights Shares (when allotted, issued and fully paid) shall rank <i>pari passu</i> in all respects among themselves and with the existing Shares in issue as at the date of completion of the Rights Issue
Conditions of the Placing Agreement:	<p>The obligations of the Placing Agent under the Placing Agreement are conditional upon the Underwriting Agreement becoming unconditional (except for the condition that the Placing Agreement become unconditional).</p> <p>In the event that the above condition precedent has not been fulfilled on or before the Latest time for termination, all rights, obligations and liabilities of the parties thereunder in relation to the Placing shall cease and determine and none of the parties shall have any claim against the other in respect of the Placing (save for any antecedent breaches thereof).</p>

The Placing Agent confirmed that it is independent of and not connected with the Company and its connected person and not a connected person of the Company. The engagement between the Company and the Placing Agent of the Unsubscribed Rights Shares (including the commission payable) was determined after arm's length negotiation between the Placing Agent and the Company and is on normal commercial terms with reference to the market comparables, the existing financial position of the Group, the size of the Rights Issue, and the current and expected market condition. The Directors consider that the terms of Placing Agreement for the Unsubscribed Rights Shares (including the commission payable) are on normal commercial terms.

As explained above, the Rights Shares that are not accepted by the Qualifying Shareholders, together with the Rights Shares that the Non-Qualifying Shareholders are entitled to under the Rights Issue, will be placed by the Placing Agent to Independent Third Parties on a best effort basis for the benefits of the No Action Shareholders. If all or any of the Unsubscribed Rights Shares are successfully placed, any premium over the Subscription Price will be distributed to the relevant No Action Shareholders. If all of the Unsubscribed Rights Shares are successfully placed, the underwriting obligations of the Underwriter under the Underwriting Agreement will be terminated forthwith. If and only if there remain any Unsubscribed Right Shares after the placing, the Underwriter will be obliged to take up such amount of the Unsubscribed Rights Shares up to the Underwritten Shares at the Subscription Price. Any Unsold Rights Shares that are not taken up by the Underwriter will not be issued by the Company.

The Board is of the view that the above Unsubscribed Arrangement and the terms of the Underwriting Agreement are fair and reasonable and are in the best interests of the Shareholders as a whole:

- (i) the arrangements are in compliance with the requirements under rule 7.21(1)(b) of the Listing Rules under which the No Action Shareholders may be compensated even if they do nothing (i.e. neither subscribe for Rights Shares nor sell their nil-paid rights) because under the arrangements, the Unsubscribed Rights Shares will be first offered to Independent Third Parties and any premium over the Subscription Price will be paid to the No Action Shareholders. The commission payable to the Placing Agent and the related fees and expenses in relation to such placing will be borne by the Company;

- (ii) the Unsubscribed Arrangement (including the determination of the placing price) will be managed by an independent licensed placing agent which is subject to the stringent code of conduct over, among others, pricing and allocation of the Placing Shares. The Placing Agent is not connected with the Company or any of its connected persons; and
- (iii) the Unsubscribed Arrangement will not only provide an additional channel of participation in the Rights Issue for the Qualifying Shareholders and the Non-Qualifying Shareholders, it also provides a distribution channel of the Unsubscribed Rights Shares to the Company.

Conditions of the Rights Issue

The Rights Issue will be conditional upon the Underwriting Agreement becoming unconditional. For details of the conditions of the Underwriting Agreement, please refer to the section headed “Underwriting Agreement – Conditions of the Underwriting Agreement” in this announcement.

No receipt will be given for such remittance.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Rights Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their licensed securities dealer(s) or other professional adviser(s) for details of those settlement arrangements and how such arrangements will affect their rights and interests.

INFORMATION ON THE UNDERWRITER

The Underwriter is a corporate licensed to carry out Type 1 (dealings in securities) and Type 4 (advising on securities) regulated activities under the SFO and its ordinary course of business includes underwriting of securities.

To the best knowledge, information and belief of the Directors, having made all reasonable enquiries, as at the date of this announcement, the Underwriter and its ultimate beneficial owner(s) are Independent Third Parties. As such, the Underwriter complies with rule 7.19(1) of the Listing Rules.

REASONS FOR THE RIGHTS ISSUE

The Company is an investment holding company. The Group are principally engaged in (i) property investment; (ii) provision of financing services; (iii) securities trading and investment; (iv) investment in film industry; (v) trading business and related services; and (vi) licensing of e-commerce platform.

As disclosed in previous announcements of the Company dated 18 March 2020, 31 March 2020 and 24 April 2020 in relation to the proposed placing, the Group expected to raise a net proceeds of approximately HK\$54.4 million for, including but not limited to, development of its existing trading business, development of its money lending business, and repayment of loan interest. However, due to the then market conditions, the proposed placing was terminated. Hence, the Company had to consider alternative means of fund raising for the future development of the Group.

The Board has considered other alternative means of fund raising, such as debt financing/ bank borrowings and placing of new Shares, before resolving to the Rights Issue. The Company has considered the pros and cons of different fund-raising options. In respect of debt financing, the Company has approached commercial banks, but it was unable to obtain any debt financing at terms acceptable to the Company as, save for the collaterals for the existing banking facilities, the Group does not have any other significant assets which is satisfactory to the banks and can serve as collaterals for further bank loans. Also, the Board does not consider debt financing to be desirable at this stage as the expected finance costs are high and additional borrowings will deteriorate the gearing position of the Group. Placing of new Shares was not adopted as explained above, and it does not allow the Qualifying Shareholders the rights to participate in the fund raising exercise and their shareholdings in the Company would be diluted without being offered an opportunity to maintain their proportionate interests in the Company.

In comparison, the Rights Issue is pre-emptive in nature, allowing Qualifying Shareholders to maintain their respective pro-rata shareholding through their participation in the Rights Issue. The Rights Issue allows the Qualifying Shareholders to (a) increase their respective interests in the shareholding of the Company by acquiring additional rights entitlement in the open market (subject to the availability); or (b) reduce their respective interests in the shareholding of the Company by disposing of their rights entitlements in the open market (subject to the market demand). As an open offer does not allow the trading of rights entitlements, rights issue is preferred. Accordingly, the Directors consider that fund raising through the Rights Issue is in the interests of the Company and the Shareholders as a whole.

USE OF PROCEEDS

Assuming all the Rights Shares have been taken up and no change in the number of Consolidated Shares in issue on or before the Record Date), the gross proceeds from the Rights Issue will be approximately HK\$56.72 million and the net proceeds from the Rights Issue after deducting the expenses are estimated to be approximately HK\$51 million. The Company intends to apply the net proceeds from the Rights Issue as to (i) approximately HK\$16 million for development of intelligent industrial welding robots or cutting tooling devices business; (ii) approximately HK\$12 million for development of the money lending business; (iii) approximately HK\$10 million for repayment of loan and interest; and (iv) the remaining balance for general working capital of the Group.

Assuming all the Rights Shares have been taken up and no change in the number of Consolidated Shares in issue on or before the Record Date other than the full exercise of outstanding exercisable Share Options, the gross proceeds from the Rights Issue will be approximately HK\$66.99 million and the net proceeds from the Rights Issue after deducting the expenses are estimated to be approximately HK\$61 million. The Company intends to apply the net proceeds from the Rights Issue as to (i) approximately HK\$21 million for development of the development of intelligent industrial welding robots or cutting tooling devices business; (ii) approximately HK\$17 million for development of the money lending business; (iii) approximately HK\$10 million for repayment of loan and interest; and (iv) the remaining balance for general working capital of the Group.
