16 July 2020

To the Shareholders,

Dear Sir or Madam,

**POSSIBLE MAJOR TRANSACTION
MANDATE FOR DISPOSAL(S) OF LISTED SECURITIES
AND
NOTICE OF EXTRAORDINARY GENERAL MEETING**

INTRODUCTION

On 3 July 2020, the Company announced that the Directors proposed to obtain the Disposal Mandate from the Shareholders authorising the Board for the possible disposal(s) from time to time during the Mandate Period of up to 476,000,000 CMBC Shares (representing approximately 1% of total issued share capital of CMBC) held by the Group. The Disposal(s), when aggregate with the Previous Disposals conducted in the previous 12-month period from the date of the relevant Disposal, may constitute a major transaction for the Company under Chapter 14 of the Listing Rules and is subject to Shareholders' approval at the EGM.

LETTER FROM THE BOARD

The purpose of this circular is to give you further details of the possible Disposal(s), the Disposal Mandate, a notice of the EGM and such other information as required by the Listing Rules.

THE PREVIOUS DISPOSALS

As disclosed in the Announcement, the Group, through the Seller (which is a wholly-owned subsidiary of the Company) disposed of a total of 321,230,000 CMBC Shares during the period from 26 February 2019 to 30 October 2019. The Group subsequently further disposed of 235,800,000 CMBC Shares. For the 12-month period immediately preceding the Latest Practicable Date, the Seller has disposed of 508,870,000 CMBC Shares. As at the Latest Practicable Date, the Group, through the Seller, remained to hold 1,517,430,000 CMBC Shares, representing approximately 3.18% of the total issued share capital of CMBC as at the Latest Practicable Date.

THE POSSIBLE DISPOSAL(S) AND THE DISPOSAL MANDATE

Given the volatility of the stock market, disposing of shares at the best possible price requires prompt disposal actions at the right timing and it would not be practicable to seek prior Shareholders' approval for each disposal of CMBC Shares. To allow flexibility in effecting future disposals of CMBC Shares at appropriate time(s) and price(s) so as to maximise the returns to the Group, the Company proposes to seek approval for the Disposal Mandate from the Shareholders at the EGM in advance to allow the Directors to dispose of up to 476,000,000 CMBC Shares, representing approximately 1% of the total issued share capital of CMBC as at the Latest Practicable Date, during the Mandate Period.

As at the Latest Practicable Date, the Group, through the Seller, beneficially owned 1,517,430,000 CMBC Shares, representing approximately 3.18% of the total issued share capital of CMBC as at the Latest Practicable Date. Depending on the prevailing market conditions, the Seller may dispose of up to 476,000,000 the CMBC Shares in tranches from time to time during the Mandate Period.

The Disposal Mandate shall be conditional upon the approval by the Shareholders at the EGM.

LETTER FROM THE BOARD

Details of the Disposal Mandate

The Disposal Mandate to be sought from the Shareholders at the EGM will be on the following terms:

1. *Mandate Period*

The Disposal Mandate is for the Mandate Period, i.e. a period of 12 months from the date of passing of the relevant ordinary resolution at the EGM.

2. *Maximum number of CMBC Shares to be disposed*

The Disposal Mandate shall authorise and empower the Board to sell up to 476,000,000 CMBC Shares held by the Group, representing approximately 1% of the total issued share capital of CMBC as at the Latest Practicable Date.

3. *Scope of Authority*

The relevant designated Directors shall be authorised and empowered to determine, decide, execute and implement with full discretion all matters relating to the Disposal(s), including but not limited to the number of batches of Disposal, the number of CMBC Shares to be sold in each Disposal and the timing of each Disposal.

4. *Manner of Disposal(s)*

The Disposal(s) shall be conducted (i) in the open market on the Stock Exchange to Independent Third Party(ies) through the trading system of the Stock Exchange; and/or (ii) in the off-market by directly entering into contract note(s) or through block trades by entering into placing agreement(s), to dispose of, in part or in whole, the Approved Sale Shares to third party purchaser(s), who and whose ultimate beneficial owner(s) are Independent Third Party(ies). As at the Latest Practicable Date, there is no potential purchaser who has indicated its intention to purchase the CMBC Shares from the Group.

LETTER FROM THE BOARD

The selling price of the CMBC Shares shall be at the then market price(s) of CMBC Shares at the relevant material time, provided that:

- (i) each Disposal in the open market or in the off market shall be at market price of no more than 20% discount to the average of the closing price as quoted on the Stock Exchange for the five (5) consecutive trading days immediately before the date of each Disposal during the Mandate Period;
- (ii) the Minimum Selling Price of the Disposals shall be no less than HK\$0.05 per CMBC Share; and
- (iii) the total aggregate gross selling proceeds for twelve-month period including each Disposal shall not be 75% or more of the market capitalisation of the Company, being the product of total number of Shares of the Company in issue and the average of the closing price per Share as quoted on the Stock Exchange for the five (5) consecutive trading days immediately before the date of each Disposal.

Based on the closing price of CMBC Shares in the past one year immediately before the Last Trading Day, the highest closing price is HK\$0.216 and the lowest closing price is HK\$0.106, the average closing price is HK\$0.148 and the standard deviation is HK\$0.0234. The highest daily trading volume of CMBC Shares was 130,620,000 CMBC Shares while the lowest daily trading volume of CMBC Shares was 2,230,000 CMBC Shares and the average trading volume for the past one year of CMBC Shares was approximately 13,809,000 CMBC Shares. The total number of 476,000,000 CMBC Shares to be disposed under the Disposal Mandate represents approximately 34.47 times of the average daily trading volume of CMBC Shares. In order to make the CMBC Shares held by the Group to be more attractive in block trade, the Directors consider that it is fair and reasonable for the Company to offer certain percentage of discount to the market price. Using the average closing price of CMBC Shares of approximately HK\$0.162 per CMBC Shares for the five consecutive trading days immediately before the Last Trading Day, if the CMBC Shares are sold at 20% discount to the 5-day average closing price of CMBC Shares, the proposed selling price is HK\$0.130 per CMBC Share which is more or less to one standard deviation price of HK\$0.1386 per CMBC Share. Hence, the Directors consider the proposed discount of 20% to the 5-day average closing price immediately before the date of each Disposal is fair and reasonable.

LETTER FROM THE BOARD

The Company further considers that the Minimum Selling Price will allow flexibility for the Directors to accommodate fluctuation in market conditions in the exercise of the Disposal Mandate and at the same time reflect the lowest acceptable price to dispose of the CMBC Shares, and is thus fair and reasonable as far as the Company and the Shareholders are concerned.

5. Compliance

The Disposal(s) shall comply with relevant applicable laws and regulations, including any applicable trading regulations in Hong Kong. The Group will also report on the progress of the Disposal(s) in the relevant interim report as well as the annual report of the Company in compliance with the Listing Rules.

The Company will re-comply with the Listing Rules requirements and seek another shareholders' approval for the Disposals in the event that the Disposals cannot be completed within the Disposal Mandate.

6. The Minimum Selling Price

The Minimum Selling Price of HK\$0.05 per CMBC Shares represents:

- (a) a discount of approximately 67.95% to the closing price of HK\$0.156 per CMBC Shares as quoted on the Stock Exchange on the Latest Practicable Date;
- (b) a discount of approximately 68.35% to the closing price of HK\$0.158 per CMBC Shares as quoted on the Stock Exchange on the Last Trading Day; and
- (c) a premium of approximately 7.28% over net asset value per CMBC Share of approximately HK\$0.047 per CMBC Share based on the audited net asset value of CMBC and 47,679,217,729 CMBC Shares in issue as at 31 December 2019.

The Minimum Selling Price was determined with reference to (i) the net asset value per CMBC Share; (ii) the market performance of CMBC Shares as quoted on the Stock Exchange for the past twelve months; and (iii) the prevailing market conditions and the uncertainty of global economy in light of the COVID-19 outbreak. The Directors consider that the Minimum Selling Price will allow flexibility for the Company to accommodate fluctuation in the market conditions in the exercise of the Disposal Mandate and at the same time reflect the lowest acceptable price to the Company to dispose of the CMBC Shares, and is thus fair and reasonable as far as the Company and the Shareholders are concerned.

LETTER FROM THE BOARD

The Seller will effect the Disposal(s) in the open market or in the off market which include either directly entering into contract note(s) with independent third party purchaser(s) or through block trades by entering into placing agreements with a licensed corporation to carry out Type 1 (dealing in securities) regulated activity under the SFO as placing agent. For any block trade, the terms and conditions of the sale would be negotiated on an arm's length basis. It is expected that the purchasers of the CMBC Shares and their respective ultimate beneficial owners will be Independent Third Parties. In the event that any purchaser of the CMBC Shares is a connected person of the Company, the Company will strictly comply with the announcement, reporting and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

Assuming that all 476,000,000 CMBC Shares would have been disposed of, the Seller will hold the remaining of 1,041,430,000 CMBC Shares, representing approximately 2.18% of the total issued share capital of CMBC as at the Latest Practicable Date. The Seller will hold the remaining CMBC Shares as investments and will realise the same when appropriate. The Company will comply with the Listing Rules when the Group undergoes further disposal of the remaining CMBC Shares.

LETTER FROM THE BOARD

INFORMATION OF THE VENDOR AND THE COMPANY

The principal activity of the Company is investment holding. The subsidiaries of the Company are principally engaged in (i) property investment; (ii) provision of financing services; (iii) securities trading and investment; (iv) investment in film industry; (v) trading business and related services and (vi) licensing of e-commerce platform.

The Seller is a wholly-owned subsidiary of the Company incorporated in Hong Kong with limited liability and is principally engaged in investment holding.

REASONS FOR THE DISPOSAL MANDATE

The Company acquired the CMBC Shares for investment purpose. Having regard to the current market conditions, the Board decided to have an investment portfolio with less securities investments and to solidify the financial and cash position of the Group.

In light of the uncertainty in the future global economy with the recent COVID-19 outbreak, together having considered the funding needs of the Group, the Company considers that the Disposal represents an opportunity to realise its investments and to allow the Group to reallocate the resources.

Given the volatility of the stock market, disposing of shares at the best possible price requires prompt disposal actions at the right timing and it would not be practicable to seek prior Shareholders' approval for each disposal of CMBC Shares. To allow flexibility in effecting future disposals of CMBC Shares at appropriate time(s) and price(s) so as to maximise the returns to the Group, the Company proposes to seek approval for the Disposal Mandate and the Disposal(s) from the Shareholders at the EGM in advance to allow the Directors to dispose of CMBC Shares during the Mandate Period.

The Disposal(s) will be made with reference to the market prices on open market. The Board is of the view that the Disposal Mandate and the Disposal(s) are on normal commercial terms, and that the terms are fair, reasonable and in the interests of the Company and its shareholders as a whole.

LETTER FROM THE BOARD

FINANCIAL IMPACT AND USE OF PROCEEDS

Based on the closing price of per CMBC Share of HK\$0.156 as at the Latest Practicable Date, the value of the 476,000,000 CMBC Shares was HK\$74,256,000.

For illustrating the effect of the Disposal(s) on the earnings, assets and liabilities of the Company, on the assumption that all the 476,000,000 CMBC Shares would have been disposed of at HK\$0.156, being the closing price of each CMBC Share as at the Latest Practicable Date, the Group is expected to recognise a revaluation gain of approximately HK\$6,188,000 which will affect the comprehensive income of the Group on the day of disposal for the year ending 31 December 2020 and is calculated on the basis of the difference between the market value of the CMBC shares being disposed of as at 1 January 2020 and the disposal prices (excluding stamp duty and related expenses). The revaluation gain equals to the excess of the consideration of approximately HK\$74,256,000, being the market value of all the 476,000,000 CMBC Shares as at the Latest Practicable Date, over the net book value of approximately HK\$68,068,000 of the CMBC Shares as at 1 January 2020. There will be no effect on the liabilities of the Group for the year ending 31 December 2020.

For illustrating the effect of the Disposal(s) on the earnings, assets and liabilities of the Company, on the assumption that all the 476,000,000 CMBC Shares would have been disposed of at the Minimum Selling Price, the Group is expected to recognise a revaluation loss of approximately HK\$44,268,000 which will affect the comprehensive income of the Group on the day of disposal for the year ending 31 December 2020 and is calculated on the basis of the difference between the market value of the CMBC shares being disposed of as at 1 January 2020 and the disposal prices (excluding stamp duty and related expenses). The revaluation loss equals to the deficit of the consideration of approximately HK\$23,800,000, being the value of all the 476,000,000 CMBC Shares at the Minimum Selling Price, under the net book value of approximately HK\$68,068,000 of the CMBC Shares as at 1 January 2020. There will be no effect on the liabilities of the Group for the year ending 31 December 2020.

The Company will use the proceeds from the Disposal of up to HK\$60,000,000 (as the case may be) for repayment of securities margin loans. As at 31 May 2020, the Company has margin loans in the sum of approximately HK\$111.48 million which bear interest rates ranging from 9.0% to 9.5% per annum. The Directors consider that the repayment of securities margin loans will save interest payment and will improve the Group's gearing ratio. In the event that there are any proceeds left after the repayment of the margin loans, the remaining proceeds will be used for general working capital.

For the avoidance of doubt, the actual gain or loss as a result of the Disposal(s) to be recorded by the Group will be subject to the actual selling prices of the CMBC Shares and will be subject to final audit to be performed by the Company's auditors.

LETTER FROM THE BOARD

IMPLICATIONS UNDER THE LISTING RULES

Assuming that all 476,000,000 CMBC Shares held by the Group will have been disposed of within the Mandate Period at the Minimum Selling Price, one or more applicable percentage ratios of the Disposal(s) when aggregated with the Previous Disposals conducted in the previous 12-month period from the relevant Disposal will exceed 25% but be less than 75%, the Disposal(s) will constitute major transaction on the part of the Company under Chapter 14 of the Listing Rules and shall be subject to the Shareholders' approval at the EGM.

The EGM will be convened and held for the Shareholders to consider and, if thought fit, approve the Disposal(s) and the grant of the Disposal Mandate. The aforesaid approval shall be obtained by way of a poll.

To the best of the knowledge and belief of the Directors having made all reasonable enquiries, as at the Latest Practicable Date, no Shareholder has a material interest in the Disposal(s) and the Disposal Mandate. Accordingly, it is expected that no Shareholder is required to abstain from voting at the EGM.

EGM

A notice convening the EGM to be held at Unit 3711, 37/F, West Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong on Tuesday, 4 August 2020 at 11:00 a.m. is set out on pages EGM-1 to EGM-4 of this circular.

A form of proxy for use at the EGM is enclosed with this circular. Whether or not you intend to attend the EGM, you are requested to complete and return the proxy form in accordance with the instructions printed thereon and deposit the same at the Company's branch share registrar and transfer office in Hong Kong, Computershare Hong Kong Investor Services Limited, at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong as soon as practicable but in any event not less than 48 hours before the time appointed for the holding of the EGM or any adjournment thereof. Completion and return of the proxy form will not preclude you from attending and voting in person at the EGM or any adjournment thereof should you so wish.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, no Shareholder has a material interest in the transactions contemplated under the Disposal(s) and the grant of the Disposal Mandate and is required to abstain from voting on the resolution to approve the Disposal(s) and the grant of the Disposal Mandate and any vote exercised by the Shareholders taken at the EGM shall be taken by way of poll.

LETTER FROM THE BOARD

CLOSURE OF REGISTER OF MEMBERS

In order to determine the eligibility of Shareholders to attend and vote at the EGM, which is to be held on 4 August 2020, the register of members of the Company will be closed from Thursday, 30 July 2020 to Tuesday, 4 August 2020 (both days inclusive) for determining the identity of the Shareholders entitled to attend and vote at the EGM. No transfer of Shares will be registered during the above book closure period.

GENERAL

There is no assurance that the Company will proceed with the Disposal(s) after obtaining the Disposal Mandate. Whether and when the Company will proceed with the Disposal(s) or not will depend on a number of factors including without limitation the prevailing market sentiments and market conditions at the proposed time of executing the Disposal(s). The Shareholders and other public investors of the Company are therefore advised to exercise extreme caution when dealing in the Shares.

RECOMMENDATION

The Directors believe that the Disposal(s) and the Disposal Mandate are fair and reasonable and are in the interest of the Company and the Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of the resolution to be proposed at the EGM to approve the Future Disposal and the Disposal Mandate.
