# JOIN A **WINNING** TEAM IN 2021

## The “*Bushrangers*”

The Kellyville Bushrangers JRLFC was founded in 1996 by a few people who had a vision to create a club for everyone irrespective of ability and background, and for over 25 years many dedicated volunteers and sponsors have contributed to the execution of our mission statement and vision:

*At Kellyville Bushrangers we are an inclusive club who welcome’s everyone of all abilities with open arms we are “Everyone’s Club”. We aim to provide a safe, fun, and learning environment to every child and young person for them to grow and flourish through the game we love.*

The club continues to develop and Kellyville Park our home ground will undergo the biggest facility expansion in 2021 which is funded by Hills Shire Council. Kellyville Park has become the home ground of the Parramatta Eels NRL Club as of 2020. To say we are excited to be included in the biggest expansion in the rugby league community is an understatement as our club will have the ability to add value to more people for many years to come.
