Notes: *This shows a Voting Fleet (not city) rotation that is subject to change with future Voting Fleet changes and/or Regatta Committee review. A Fleet may choose to forfeit its turn and pass along to the next Fleet in rotation. All scheduled Regional Championships are required to have 15 boats participating to award the title of Regional Champion. Regional Championship organizers must avoid date conflicts with all National and International Championships held in North America. Regional Championship organizers should avoid date conflicts with other Regional Championships when possible. For questions, please contact howell@j70office.com.*
